The Alerts Secure the Popular Catcher for 1897.

London's New Shortstop-Has a Long and Promising Record.

Snider Signed.

Baseball lovers will be gratified to hear that Frank Snider has signed with the Alerts for 1897, and will be seen in his old position behind the bat. Frank had tempting offers from other places, but preferred to remain in London. He has always been one of the best players in the Canadian League, and was never in better trim than now. Only one man, a pitcher and change outfielder, remains to be signed to make the team complete.

Ollie L. Conn, of Decatur, Ill., the Alerts' new shortstop, has a long and first-class record. He is 25 years old, 5 feet 8½ inches tall, and weighs 164 pounds. He started his professional career as shortstop in 1890, with Marian, Ind., his batting average being 369, and his fielding 930. The team was transferred to Peoria, Ill.,

and there won the pennant. With Peoria, Conn's batting and fielding averages were .354 and 914 respectively. In 1891 Conn played with Atlanta, Ga. Here his batting was .363, and his fielding .892. In 1892 he played with Evansville, Ind., in the Indiana State League, and distinguished himself by a batting average of .386 and a fielding average of .904. In 1893 he helped Hills-boro, Ill., the champions of Southern Illinois. In 1894 he played with Bur lington, Iowa, until the team disband ed, his batting being .342 and his fielding .819. He led the team in stoler bases. The year 1895 saw him with Clinton, Ill., and he led the team in batting and fielding. In one game he faced McFarlane, of Chicago, and got a home run, two doubles and a base on balls, out of five times at bat. In 1896 Conn started with Decatur, Ill., and led the batting and fielding until the manager jumped the team. Then Conn took charge of the Paxton, Ill., club, and played 52 games, making a batting average of .337 and a fielding average of .876. He stole 38 bases. In one game at Decatur, out of five times bat, he made one home run, one triple, one double and two singles. He is a great sprinter. Conn does not drink, smoke or chew, and he comes highly recommended by Robert Gale, the Detroit pitcher, and by Pat Wright, of Springfield, Ill., formerly of the Tecumsehs. By the way, wouldn't "Tecumsehs"

METHODIST DEPUTATION

Wait on the Ontario Government in Connection With the License Bill.

Toronto, March 26.-A deputation representing the Methodist Church of Canada waited upon the Government at 5:30 o'clock yesterday afternoon in connection with the new license bill. Among those present were: Rev. Dr. Carman, Rev. Dr. Briggs, Rev. Dr. Griffin, Rev. James Van Wyck, Rev. A. C. Crews, Rev. A. C. Courtice, Rev. Isaac Dobell, Rev. George Webber, Rev. Dr. Potts, Rev. They could not look for full prohibition, but he believed that the Government would do the best they could in the way of a li-cense bill. Unless there was a genuine intention on the part of the Govern-ment to protect the sobriety of the people of the country, the Methodist Church must hurl its phalanxes at the polls against the men in authority, for they must have men in authority who would guard the moral interests of the While some features of the bill, such as the reduction of the age limit, were advances, they objected to bars being permitted to remain open until a late hour at night.
