[Continued From Page One.]

Make Permanent Camp. Here they unloaded their cargo, their provisions, dogs, ponies, and sledges and tents, and established a permanent camp safe on the eternal

While they were discharging the cargo they had a strange adventure with "killer whales." Two dogs were tethered to a stern rope, on an ice floe beside the ship, while half a dozen whales played around, and a photographer tried to get pictures of them. Suddenly they disappeared.

"The next moment," writes Scott "the whole fice under him and the dogs heaved up and split into fragments. Whale after whale rose under the ice, setting it rocking fiercely. One could hear the booming noise as the whales rose under the ice and struck The 'Killer" Whales.

"Then, one after another, their huge, hideous heads shot vertically inthe air through the cracks they had made. As they reared them to A height of six or eight feet it was

the world. These strange "killers" had deliber-Otely risen under and broken the ice, Two and one-half feet thick, to get at the dogs. But they failed. Three months were spent in two

expeditions, one to "lay depots" killed a pony when it fell.

A Day's March Described. Here is Scott's description of typical day's march on one of depot-making trips southward: We turn out of our sleeping bags

"The rugs come off the animals, the Scott resolved to adhere to his plans harness is put on, tents and camp exactly as if he had not heard of it. horses. It is chilling work. equipment are lashed on the sledges, nose-bags filled for the next halt. One by one the animals are taken off own story.

the picket rope and yoked to the The picketing lines must be ath. ered up, a few pony putties need adjustment, a party has been slow striking their tent

waves), and for a minute or two drivers have some difficulty in maintaining the pace on their feet. Move-ment is warming, and in ten minutes the column has settled itself to steady

marching. "The pace is still brisk, the light bad, and at intervals one or another of us suddenly steps on a slippery patch and falls prone. The march passes with a steady tramp. "The weaker ponies drop a bit, but are soon up in line again when the first halt is made.

In Camp Formation.

"As the end of the half-march approaches I get out my whistle. Then at a shrill blast Bowers wheels to the Oates and I stop behind Bowers and Evans, the two other sledges of our formation,. In a few minutes ponies are on the lines covered, tents up

again and cookers going. ong, cold wait at the old camp, have there, packed the last sledge and come trotting along our tracks.

"The mid-march halt runs into an possible to see their tawny head hour and at the end we pack up and tarking, their small, glistening eyes tramp forth again. We generally and their terrible array of teeth, by make our final camp about 8 o'clock, are the largest and most terrifying in and within an hour and a half most of us are in our sleeping bags.

Behind Snow Walls.

"At the long halts we do our best for our animals by building snow walls and improving their rugs. Back again at "Safety Camp," near Cape Evans, one party was caught were lost.

The eastern exploring party brought had established a winter camp in the Bay of Whales, 126 miles nearer the about 9 p.m. Somewhere about 11:30 pole that Scott's camp, and had the figures are busy among sledges and advantage of position for the southern dash the following summer.

Next month The Advertiser will print the continuation of Capt. Scott's

Watch announcement of Finch Fashens' sale in tomorrow's issue.

SEDUCTION CHARGE

Young Hamilton Man Was Arrested After Fleeing to Detroit.

[Special to The Advertiser.]

Detroit, June 23-Magouse Schevies, 24 years old, was arrested in Detroit by Detectives Borsig and Wilson, for the Hamilton police, late Saturday gram from the Hamilton authorities that city for alleged seduction, committed on June 14. He disappeared from Hamilton and came to Detroit, but the Hamilton authorities learned his whereabouts and notified the Detroit police that he was rooming at 17 Hammond ave. Sclavies is locked up at central police station awaiting the arrival of the Hamilton officers.

HEALTH AND BEAUTY ANSWERS

Ada: The unlovely condition of your skin is due to the powder and greasy cream you use. Make up and use this dainty lotion and your complexion will be the envy of your friends. Dissolve 4 ounces spurmax in either ½ pint hot water or witch hazel, and add 2 teaspoonfuls glycerine. This delightful lotion dries quickly after being applied and gives to the skin an exquisite tint and yelvety smoothness. The spurmax lotion

enough delatone and water to cover the hairs not wanted. After it is on two or three minutes rub off, wash the skin and it will be smooth and hairless. This method is unfailing, but be sure to get

Mrs. Geo.: You can have pretty eyebrows and lashes by rubbing a little pyroxin on eyebrows nightly, and for pyroxin on eyebrows nightly, and for short, straight lashes, apply pyroxin at lash-roots with thumb and forefinger. This treatment will give you thick, glossy eyebrows and long, curly lashes. Be careful and don't get any pyroxin where no hair is wanted.

Margie: From what you say, I believe your weakness and languor are traceable to your anaemic condition Make up and use this old-fashioned cleanser and tonic and your health and strength will soon return: Dissolve 1 ounce kardene in ½ pint alcohol (never use whisky), then add ½ cupful sugar and hot water to make a quart and take of this 1 tablespoonful three times a day. This rids the blood of poisonous accumulations builds up worn tissues and

take out the soreness. If after this is texture.

quiet, with prices steady. No. 1 is quoted at \$11 75 to \$12 25, on track, Toronto, and No. 2 at \$10 50 to \$11. Baled straw—The market is quiet, with prices for good stock at \$8 to \$8 25, on track, To-
