Larkin of Toronto, president of the Salada Tea Company, who is here on business connected with the erection of a new building for his come pany, is said to have been offered the post of high commissioner of Canada at London.

Mr. Larkin, when interviewed here this evening, was somewhat reticent about discussing the matter, but when pressed for a statement affirming or denying the rumor, replied that he would not deny the ost had been offered him.

Further than that, Mr. Larkin re fused to discuss the rumor, prefering to turn the conversation toward the economic situation in Canada, and the opportunity for the new Canadian ministry to establish closer relations with the United Statesmatter which is quite close to Mr. Larkin's heart.
