## BUZZ PROTESTS HAMS' 6-2 WIN

Claimed Hams Allowed To  
Throw in White Balls To  
Offset Gloom.

**HAMILTON, July 17.**—Hamilton won the first game of the series from London here today, but the game was played under protest, owing to the Hamilton players throwing in white balls at a time when Walter preferred the dark ones, as the cloudy skies made it rather dark for the players at times during the game. The score was 6 to 2, and Doc Hughes should have had a shut-out. His hands were slippery from sweating in the first inning, as he was about to deliver it, and Umpire Cristall called Butler in from third, as it was a plain ball. Errors aided the visitors in getting their second run. The Cockneys went into the fray with the services of Mackey, who took sick on the way down from London on the train and was unable to play. Port Huron at Saginaw. London at Hamilton. Brantford at Kitchener.

**Presented With Run.**  
London was presented with the run in the first inning, when Butler doubled to left after Stimpson had struck out and went to third when Blake grounded to Carter and was thrown out at first. Schaefer was batting when the ball slipped from Hughes' hand and he remained nothing for Umpire Cristall to do but call the ball a strike. Butler and Blake got hits in succession to start off the fourth, but the home team did not get a run across until the eighth, when "Buck" Boyle slammed one along the first base line which Hunter could not hang onto and Hunter let it get away from him out in right. Boyle ending up at third and scoring when Coogan sawed a long fly to Hunter. The Cockneys got a man on in the ninth, but he failed to get past first base.

The Hams had men in the paths in every inning, but it was not until the fifth that they managed to score. Stimpson struck out, but Gray drew a pass and Hunter doubled. Kuhn was pitched ball, and the bases were covered. Coogan had two strikes on Calbert right out, and soon had a count three to two. The next one he got over, and Hamilton had to have a hit. King came in to pitch, and the nose of the old apple and sent it to the fence in right center, where Stimpson hit it being held at first. Oakes rounded past Coogan, but Calbert walked, and the bases were covered. Hunter had run out. With the Hams one in the lead, the fans did not seem to care how much it rained.

Another in Eighth.  
The Calbert clan got another in the eighth when Hughes started off by striking out, but Stutz hit one to center which would ordinarily have been a single, but Stutz hit it into the hands of the catcher who made for second and hit into a double. Gray drew a pass, and Hunter doubled. Kuhn was pitched ball, and the bases were covered. Coogan had two strikes on Calbert right out, and soon had a count three to two. The next one he got over, and Hamilton had to have a hit. King came in to pitch, and the nose of the old apple and sent it to the fence in right center, where Stimpson hit it being held at first. **CARGILL BEATS WALKERTON**

Spills Chances of Tying For Owen Sound in Group Race.

**CARGILL, July 17.**—Cargill defeated Walkerton by a score of 12 to 1 in a North Wellington League fixture played here on Saturday. The Walkerton team, which defeated Owen Sound a week ago by 9 to 2, battled hard for a victory in Saturday's game, for in losing this game they lost their last chance of tying Owen Sound for the group title. The locals played the best game of the season, and it was only owing to a big bang tad of 18 summers and learned the game in 18 summers, while Cargill is small, but looks to be the fastest runner in the outfit. Last year was his first year in lacrosse. In another year, Walkerton will have a team to be reckoned with in the O. A. L. A. nearly half the team are eligible for junior status, including Groenbridge, McLean, Teeter and Lawson. The latter was the scoring ace on Saturday, scoring four of the eight goals.

**Sherwood, the wonder boy of the Walkerton team, played faultlessly in goal. Sherwood, who was with them on a quick and play almost as good a game, for he stops most of them with his hands, he only using a stick that someone else might have.**

**McLean and Groenbridge, who go 50-50 on the center position, are two made who are coming stars. McLean is a big bang tad of 18 summers and learned the game in 18 summers, while Groenbridge is small, but looks to be the fastest runner in the outfit. Last year was his first year in lacrosse. In another year, Walkerton will have a team to be reckoned with in the O. A. L. A. nearly half the team are eligible for junior status, including Groenbridge, McLean, Teeter and Lawson. The latter was the scoring ace on Saturday, scoring four of the eight goals.**

**McGee, the husky point man, was the real speed artist. The way he came up the field he looked like a "10 second man." He came originally from Montreal, and knows the game thoroughly, but has had trouble getting into shape. Lacrosse is gaining a stronghold in Walkerton. They have intermediate and junior O. A. L. A. teams, and also two midget teams.**

**The line-up: Goal, Sherwood; defense, McGee, Boyle, Teeter, Stonehouse, Teeter; center, McLean and Groenbridge; home, Lockhart, Frobel, Lawson, Wickens; forward, McLean, Teeter, Stonehouse, Teeter, and Van Hatten; Cargill; Neill and Anderson.**

**Umpires—Smith of Walkerton and Connell of Eden Grove.**

**The group standing of O. A. L. A. W. B. A. is as follows:**

Owen Sound 4 1 4

Paisley 3 2 2

Walkerton 2 2 2

Cargill 1 1 4
