

SERIOUS DEPLETION IN FUNDS

HARD TIMES HARD ON THE POOR CONSUMPTIVE

Muskoka Free Hospital for Consumptives Makes an Urgent Appeal for Money.

\$25,000 Required to Cover Bank Overdraft and Provide for Maintenance of Four Patients.

These head-lines tell the story of our needs.

They are heavy and urgent. Many times during the past twelve months the question has pressed itself upon the Trustees, "Can we continue the work further?"

Every month brought its quota of accounts for salaries and wages of staff, bills of butcher, milkman, eggs, groceries, heavy coal bills—a serious item—and other uncontrollable expenses so long as the doors were kept open.

These had to be paid somehow. Contributions—especially after the turn of the year when the financial depression was felt at its keenest—fell off to such an extent, that each month the burden became heavier.

During all this period there was only one thing to do, and that was to lean on our banker—swelling the bank overdraft.

The trial was the severest in the history of these Muskoka Homes, in which nearly 3,000 persons, stricken by the dread white plague, have been cared for.

But never for a single hour did the doors of the Free Hospital fail to swing open, and give a welcome to suffering ones without money and without price.

The good news has gone forth of a rich harvest the wide Dominion over.

Friends, we come to you at this time, when the clouds of depression are being lifted, asking that you now—in the direness of our extremity—help to lift the burden being carried—not for any personal gain, but solely, alone, only on behalf of suffering sisters and brothers.

Our plea is on behalf of the sick ones.

What will you give? Do not say nay. Help generously. Help all you can. Help some. Help now.

Contributions may be sent to W. J. GAGG, Esq., Chairman Executive Committee, 84 Spadina Avenue, Toronto; or J. S. ROBERTSON, Sec.-Treasurer National Sanitarium Association, 347 King Street West, Toronto, Canada.

Hewson Tweeds

PURE WOOL

To procure permanency of color for Hewson pure wool Tweeds we have found it necessary to buy the most expensive dyes. Not only that, but the materials must be dyed by a special process, which is more costly, but which produces rich colors that are absolutely fast.

Hewson Tweeds will not fade—not even under the searching rays of the strong summer sun.

Yes, sir! It pays to buy Tweeds trademarked with the Hewson oval.

Has Flour Any Flavor?

Some flour has almost none at all, or a very disagreeable flavor, because it is destroyed by the electrical bleaching process. But "North West Gem" has the fine, full, delicious flavor possessed by the choicest No. 1 hard Manitoba spring wheat, specially milled and purified by flour experts of the first rank.

Makes the tastiest bread—try it.
