At precisely two o'clock yesterday the horses to shy and behave in a dangerous ned session of the police court was red. The case of Jessie Dalton alias manner, much to the alarm of everyone Lulu Ellin, upon a charge of keeping a dis-referily house at No. 4 Dale street, was the

orderly house at No. 4 Dale street, was the first on the calendar. P. C. Clark stated that he and P. C. Hall had gone into the house on the 27th inst. and found a man and woman in a bed-

inst. and found a man and woman in a bed-room together, the former being in the act of putting on his coat. He proceeded to give further evidence, but it was objected to by N. Murphy, counsel for the defend-ant, and was ruled out by the magistrate. Benjamin Reeves, living at No. 2 Dale

street, gave evidence saying the house had borne a tad reputation for years past, in-cluding the last three months. His cluding the last three months. His swearing appeared to be of a great altitude, however. He also said that the inmates were in the habit of having frequent brawls and he had seen men a women of the worst character coming of the house in a state of intoxication. The case was of considerable length and of the usual character in such instances.

or the usual character in such instances. The whole resulted in the prisoner's dis-missal. Her companion, Louisa Howard, charged with being an inmate of a dicorderly house was also discharged. Mattie Flint up on a charge of keeping

a disorderly house was remanded till Fri-day at 2 o'clock for further evidence. After Jessie Dalton and Louisa Howard

After Jessie Daltor and Louisa Howard got home irom the police court late yester-day afternoon they and some of their friends and admirers proceeded to celebrate the oc-casion of their release from the obnoxion s head-quarters of the police. They were very enthusiastic--so enthus a tic in fact that, with the assistance of some spirit-lightening liquid, they could not contain themselves. They embraced each other--bet is were with a loving embrace--and but it was not with a loving embrace-and but it was not with a loving embrace—and then they proceeded to separate themselves by hitting each others faces. The police had an eye on the place, and hearing the row P. C.'s Hall and Brackenread entered and arrested Louisa Howard, Lottie Price and Lizzie Watson for being immates of a disorderly house and John Clark and Alex. Lee for being frequenters of the same. Lee for being frequenters of the same. They were lodged at No. 2. Jessie Dalton mysteriously disappeared or was not in when the police entered.

laws now enforced by the city commission-er. The idea of Ald. Taylor, who introduc ed the motion, is that the police, being spread over the city, should be utilized in reporting non removal of snow, obstruction of streets, etc., etc. er. The idea of Ald. Taylor, who introduc ed the motion, is that the police, being spread over the city, should be utilized in

An old officer of the force smiled when a World reporter told him of the council's action. Said he "They're only giving us what they took away from us some years ago. We reported everybody—aldermen, big officials and high and they action. Said he trievie only giving us what they took away from us some years ago. We reported everybody—aldermen, civic officials and high and low—and they didn't like it, so they gave the work to and sang well. The petite sweetheart of didn't like it, so they gave the work to the city commissioner, who has to be a little cautious whathe does. And I fancy they'll soon get tired of us again."

SEWER GAS.

Many complaints have been heard about the foul gas blown up the Yonge street sewer whenever a heavy south wind pre-rails, which gas then finds its way into the many private drains that connect with the sewer and thence into the houses drained thereby. Ald. Davies braught the matter up in the council last night, suggesting that

up in the council last night, suggesting that some means be adopted to prevent this dis-agreeable and unhealthy state of things. Several members got off a lot of surplus gas in a would be facetious way at Ald. street sweepers, such as they have in Lon-don and other large cities, into Toronto. Ald. Farley thinks it would be a good Davies' expense but he was ably supported by Ald. Law, who seems to be well up in sanitary law, and a motion was carried rething and last night got the council to pass a motion referring the matter to the board

-Mr. R. Albertson, 4207 Columbus Avenue, Philadelphia, having re-eived a severe contusion of the right knee.cap, suf-fered intensely therefrom. A friend sug-gested St Jacob's Oil, and before he had used three bottles he was a well man.

Police court clerk Nudel reports that Rowe on Feb. 6. On this day the three prisoners and complainant were drinking in a house on Agnes street, and a dispute arose in which Rossi pulled out a knife and cut him in the face. Afterward he went through his pockets and took out two five dollar bills. The case occupied consider-able time owing to the difficulty of examin-ing witnesses, who did not seem to want to understand English very well, but on other occasions were said to be proficient enough. All the Italians in town were in court, the several peanut-stands were Police court clerk Nudel reports that the current arrears in fines and fees due March 1st amount to \$1384.54. Fines and fees to the extent of \$2943.70 were imposed during February. The ministerial association yesterday dis-cussed Rev. J. M. Cameron's paper on city, missions. Numerous statistics were sub-mitted, but they cannot be had for publica-tion. Why do the preachers transact their hueines in secret?

tion. Why do the preachers transact then business in secret? The Saskatchewan Forks colonization company have applied in the Canada Gaz-ette for a charter of incorporation. To-ronto is to be the chief place of business. It is said the capital stock, \$250,000, has already been subscribed tour times over. A man named Robinson, who was doiny duty as caretaker at the U. E. club, fell down a trap-door two. or three days ago and sustained serious injuries. He was recourt, the several peanut-stands were closed, and the balloon-flyers took a holi

As to the locus standi if you go far enough back we are all on a par—and when Dr. Wild gets back to creation a three-year-old child can confound him with the infantile question, "Who made God ?" AGNOSTIC. day to inspect the line.

GREAT UNION SQUARE SUCCESS At a mass meeting at Buckingham; Me. on Saturday, resolutions were passed asking the government to construct a railway through the phosphate district. March 13, 14 and 15, with Wednesday Matines CROSSEN'S COMBINATION

The Floods at the South.

Spiritualists in Trouble. ERIE, Pa., March 13.—Dr. Foster and, Edith Fox, two alleged spirit mediums who professed to have recently converted Queen Victoria from the christian to the spiritual-istic religion by their manifestations, en-last night, and underbook to materalize the Erie dead at twenty-five cents a head. The spiritualists' association met vesterday The spiritualists' association met vesterday thirty lives had been lost by drowning in this county. The entire country is under water. There are 11,000 destitute persons there. The county has been wrecked, and the inhabitants are now papers. Nearly 68,000 square miles of country between Memphis and Vicksburg are now under water. The population of this territory is 150,000. One third of them are suffering: The fixed has cut Memphis off from com-

150,000. One third of them are subtring. The flood has cut Memphis off from com-munication with the outside world by means of the through lines of railway. ST. LOUIS, March 13.—A newspaper here Death on the Track. BUENA VISTA, Col., March 13.—A Den-ver Rio Grande train jumped the track yes-terday near Hastings. A coach went down an embankment, and the engine and tender went through a bridge. Pussenger Rickie and brakeman Fox were killed. Two men and two ladies were slightly injured. The bridge and coach were totally wrecked. Death on the Track. will send out from Caire to morrow a small steamer on a news expedition through the entire flooded districts of the Lower Mississippi river.
