

THE MARRIAGE

Mr. Crump had a copy of the marriage... "I have told you already, sir, that I know nothing about it. It was only yesterday morning that I noticed that a check had been taken from the book."

"I thought I had torn it out myself along with the one I sent to Mr. Marshall. But it has probably got a professional at the office during the day."

"I don't see how anyone could have got at the book for I am very careful, but it is possible. The thing has probably got a professional at the office during the day."
