

WORKING FOR WIVES  
At the recent meeting of the Home  
and Infants' Home

annual meeting of the Infants' Home  
in St. Mary's street, was very  
attended yesterday afternoon. Mayor  
Mayer who was to have presided, sent a let-  
ter stating that he had been unavoidably  
absent.

In his place Ald. McMillan presided.

Secretary's report stated that the  
capital was now finished. Owing to  
want of friends, principally Lady  
and Mr. G. C. Ross, the Infants' Home  
was also most unfortunate. It is  
at least a year since \$100 had been received  
from the Soap Company to be counted  
as a sum due. The Infants' Home  
Business Club had also contributed  
\$100. The shelter was now consolidated  
with the Infants' Home, which had been  
the home of Mrs. Mary Fullerton and  
Heron.

The building fund of the Home was  
now \$1,000, and the amount given  
over a term of years. The amount  
necessary is necessary for the board to  
make early payments of interest  
of \$600 and \$100 per annum.

The managers have been  
awarded a gift of \$600 from an  
united and a critical point was carefully  
considered.

Home During the thirteen  
years it has existed, and numbered  
1,100 children, and 899  
mothers admitted to the Home  
since 1873, to September, 1888, 70  
mothers have died, and 20  
died in the Home.

Rev. John Langtry and  
S. Clark were mentioned in  
connection with the religious  
part of the service.

It is administered by Rev. John  
Langtry and Dr. F. H. Palmer  
in their services in the Thursday  
classes, and Miss Alice and  
Bessie Palmer in their services. In place of  
Rev. Mr. H. C. Ross, who has  
been succeeded by Rev. Mr. Clark.

Services are held in the evening  
which are also well attended by  
friends. Rev. Elmore Hardis pre-  
sides over the services.

Rev. John Donavan, and James  
and John Hayes, and others  
have been on missions by T.  
A. M. D., and Rev. T. P. Tur-  
ville, the musical program was  
given by the Infants' Home Staff,  
and Misses Billon and Boyd.

Mr. Langtry's report gives these results:

2200 babies born, and 1100  
died. Receipts \$6000, and hand  
607.

Receipts \$6000, expenditure  
\$6000.
