Private wires to New York and Chicago. Tele-

Discount rate on the open market in London was easier at 216 per cent Local money market steady and unchanged at 5 to 5½ per cent. for call loans. GRAIN AND FLOUR

Local market was did and unsettled owing largely to the holiday in the United States Wheat of Ontario growth was inactive and weak; farmers' deliveries are small and the millers seem to be getting nearly al. their supplies, which are, however, small, direct from this source. Exporters are holding off for the present awaiting a more settled market Sixty-pound mixed fall sold west at 95c; red winter changed hands at 93c to 93c for staudard. No. 2 hard sold on GT west at \$1.10, and on C.P., same direction, at it cless, a couple of cars of No. 2 northern sold cast at \$1.03. Oats offered more freely and prices were easier, with demand poor; there were huyers outside at 313c to 32c, with sellers at 35c; 36c to 37c would have been paid on track. Peas easy, with buyers at 65c north and west. Bran dull and nominally unchanged.

ESTATES MANAGED RENTS COLLECTED.

SAMSON, KENNEDY & CO

44 Scott and 19 Colborne-sts., Toronto. RUPTURE

At the present time the market is being flooded with a variety of worthless trusses, and persons suffering from rupture are often induced to purchase a truss that has nothing to commend it but the false promises of impossible cures that are freely made but never realized. Our mises of impossible cures that are freely made but never realized. Our mises of impossible cures that are freely made but never realized. Our mises of impossible cures that are freely made but never realized. Our mises of impossible continued to all others, being the result of many years practical experience in making and fitting trusses, as well as years of careful thought and attention to the requirements of our patrons. We guarantee our trusses to retain any and all forms of rupture with ease and comfort, and to place the patient and comfort, and to place the patient of in the best possible condition for nature to perform a radical cure.
