and we have a multitude to choose from. possible, of course, that the prophets may This is the primary fact that should en. be giving out wrong augustes, as usual, but courage the salary reducers to proceed there seems to be a consensus among the purageously in the work they have under- most experienced observers that 1894 will taken. An evening paper that sees give us a new map of Europe. the Thompson-Sheppard agitaa convincing proof of Mayor eopardizing a reform that is more impornt to the city than the retention of some of its best officers. The individual official who feels aggrieved will perceive at once that in considering his particular case the aldermen have to determine between him as an indiwidual and a change that means anything from \$50,000 to \$100,000 saving yearly to the city. Between the two there is but the one choice that can be made. We trust that these officials will look at the matter in this light and put up with the reduction, not because we wish to enforce it, but because we have no other alterna-

The Free Water Movement, Mr. Pingree, the energetic mayor of De-Mr. Pingree, the energetic mayor of Detroit, is heading a movement to give the people of that city free water, or in other words to pay the expenses of the Water Department out of the general taxes. He in acting. In the most passionate of the Motor passionate of the most passionate of the Motor passionate of the Motor passionate of the Notes.

Antigoue seats.*

The "Antigoue* seats will be \$1, \$1.50 and \$2. Any class may be subscribed for next was advance. In fact, in the first act he was in acting. In the most passionate of the Notes.

ticulars, and it will stand a good deal of Barrett and Mr. Mcl amendment. There has been a proposition to adopt the free system in Toronto for some time now, and it would be in order for some official who is posted to enlighten row's Opera House, there will be presented, the public just exactly what the change would mean in our case.

The Sand Pump Appropriation. Engineer Keating has placed in the estimates the sum of \$20,000 for the purchase of a sand pump. Whatever else is cut from the Works Department, this item should, if possible, be allowed to stund. We have paid two and three times too much for filling up the marsh that has been transferred into the beautiful Island Park. If the city had owned an efficient sand pump last year we could have undertaken the two contracts that were made for the improvement of Ashbridge's Bay, and we would have saved a lot of money by so doing. It looks as if the works that were undertaken in Ashbridge Bay last year will turn out disappointing. Conditions have arisen that were not foreseen prior to the

come tax. Some of our Canadian free traders also propose the same thing for us.

ble for its enactment in time of peace. It will be a brutal weapon of war, and should Ity in the official assessors, "tips" to them, and perjury by the taxpayers. It will be worse in that regard than custom house taxation. It will expose to one another the secrets of merchants, traders another the secrets of merchants, traders and manufacturers. Its details cannot be vernment extravagance in expenditure.

The Powers have swellad England is alarmed and has ordered a big expenditure to improve her navy. Every IMPLIES ANOTHER BIG FAILURE ountry feels that the strain is becoming too great and something must give way. Italy, especially, is the country on which the prophets have their telescopes pointed. Of all the countries that are groaning under the burden of the prevailing militarism Italy is the least able to longer bear the There are few officials at the City Hall load. Her movements at present have a who cannot be replaced. For ourselves we very suspicious and war-boding aspect. are inclined to believe that as capable a All the countries of Europe, indeed, are man can be got for every office as the indi-vidual now filling it. The world is wide arms to sound at any moment. It is to arms to sound at any moment. It is the Recorder says: vidual now filling it. The world is wide to arms to sound at any moment. It is

No Friend of Canada,

Whenever Erastus Wiman comes over to inability tries to Canada or writes to the Canadian press he "Guinanes systematically undersold even the movement by makes a point of stating that he is partidoes not desire to lose the services of the gentlemen referred to, and yet at the same time the city would not like to see them standing in the way of the proposed reform. To except any single official from a general—enactment will cause no end of trouble and may be the end of trouble and may be the like a man who is anxious to deal an untail greater loss to remove the goods off the means of defeating the whole measure. The friendly blaw at this country. "I have no premises or sacrifice them at nominal friendly blaw at this country. "I have no prices? And we decided to do the latter, hesitation," says he, "in declaring the had giving the public the benefit. We hope to ought to have, the interests of the city at heart, and if by the exercise of a little self-denial they can do the city a good turn they ought to do it. There are several they ought to do it. There are several officials whose salaries we would prefer to see remain as they are, but we cannot act as we would like to in these cares without jeopardizing a reform that is more impor-

Highly pleased was the audience that last night crowded the Grand Opera House from pit to gallery, and demonstrative was it at Arthur Armstrong, will also be one of the times in expressing it. It was the occasion attractions. of the production of "Othello"

Incidental to the production of "Hands State Shropshire Breeders' Association reState Shropshire Breeders' Association resumed its annual session this morning. between the first and second acts, what is said to be one of the greatest novelties of the season. Sergt. Simms' Columbian Cadets, consisting of a company of little negro boys from the Bahama Islands, none of them over 12 years of age, who introduce a sensational sketch entitled "Lg-Bivouacs."

The American Vaudevilles,

The American vaudevilles, which opens at the Grand on Monday for three nights and Wednesday matinee, will be the first and only company that has appeared at this undertaken in Ashbridge Bay last year will turn out disappointing. Conditions have arisen that were not foreseen prior to the letting of the contracts, and it does not look improbable that the dredging done by one of the contractors at least will turn out to be useless. Contractor McNamee appears to have been doing nothing less for several months than pouring water through a sieve. Sand pumps did a lot of cheap work in the excavation of the Manchester Ship Canal. The same machine will work under as favorable conditions here as any other place we can imagine. Its work would be to shift sand from where it is not needed to where it will be of service. In the bottom of the lake and bay there is an integrated proportion of the Manchester in the many others.

Mallette artist tho mind such a five dainty little artist tho mandes uch a widespread reputation in the American Extraogance Burlesque Co., Fleurette, the bacco does not affect all kinds of tobacco of the contractors at least will turn out to be useless. Contractor McNamee appears to have been doing nothing less for several months than pouring water through a sieve. Sand pumps did a lot of cheap work in the excavation of the Manchester Ship Canal. The same machine will work under as favorable conditions here as any other place we can imagine. Its work would be to shift sand from where it is not needed to where it will be of service. In the bottom of the lake and bay there is an included the promoned and in the American Extraogance Burlesque Co., Fleurette, the backon of the Boštonians, and Eertha Fisch, who, herself a pupil of the Boštonians, and Eertha Fisch, who, herself a pupil of the Boštonians, and Eertha Fisch, who, herself a pupil of the Boštonians, and Eertha Fisch, who, herself a pupil of the Boštonians, and Eertha Fisch, who, herself a pupil of the to 4c per pound. The declines in some of the fancy bright kinds which are not handled by grocers are much greater than in the latter instance.

Among the change made the drop is from let of Casino 18 lb. cad

the bottom of the lake and bay there is an illimitable quantity of sand which a good pump will easily force to the lagoons and low land on the Island.

The "Odious" Income Tax.

The Wilson bill, now before Congress, proposes to make up the loss in revenue which tariff reform will involve by an income tax.

Some of our Canadian free trad.

The Toronto Ladies' Quartet. Here is what it says:

A Federal income tax is offensive to the conservative; men of the East without regard to party ties. It will not be patiently endured. It will slay any party responsible for its enactment in time of peace. It will be a brutal weapon of war, and should tunity of hearing the celebrated tenor City Hotel was partly destreyed by fire Music lovers will soon have the oppor-

The large number of attractions announced kept out of the newspapers. It will breed for the Musee next week is a positive indication that the excellent entertainments Government extravagance in expenditure, cation that the extension of the cation that the extension given each week at this popular house are personned for thousand exemption clearly shows. It will surely lead to a progressing and confiscating income tax. It is urged in the South and West to plunder Eastern, and especially New York, estates and compel their property to pay nearly all Federal expenses. It will be a thumbscrew and hidden power, tell and name while blindfolded any article presented. From imperfect feeding and dist. The large majority of cross, fretful and not heavish and expenses. It will be a thumbscrew and recourge of war in a time of profound peace. Equality of income and outgo can be had without it.

Looks Like War in Europe.

The war prophets have got their telescopes far ahead into the present year and in the distance they see Europe on the brink of particles and into the present year and in the functions before.

The Minstreis on Friday.

In the second part of the bacrosse Minstrels next Friday and Saturday the Q.O.R., but he wars they predicted have never eventuated. No wonder, then, that the public have lost confidence in the war prophets. However, they assure us that the outlook to-day is most alarm-

cial Notice Taken of a Toronto Shoe Firm-Is There Any Truth In the Im-

Recorder, of last week's publication, unless Guinane Bros. change their prices their days are numbered, so that it will before there is a hig failure at ore there is a big failure at 214 Yonge-"GUINANE BROS., TORONTO, HAVE

NOT YET FAILED." This simply implies that when this firm is selling four dollar boots for two dollars, and these boots are manufactured by the celebrated firm of Gray Bros., Syracuse, it can only be a matter of time until they do fail. The Monetary Times years ago said hinting that the city will lose a couple of its most important officials if an attempt is made to reduce their salaries. The city does not desire to lose the services of the

send her eggs and broilers and ores and lumber free of duty into the United States.
