SARNIA PRESBYTERIAL W.M.S. SECTION NO. 2 ANNUAL MEETING

The Fifth Annual meeting of Section No. 2, Sarnia Presbyterian W. M. S., met in Arkona on June 9th with a large attendance from the different auxiliaries belonging to the section. Mrs. McVicar of Inwood presided and carried out, very ably, a carefully prepared program. After devotional service, Mrs. Aitkin of Centre Road, President of Sarnia Presbyterian, presented her report of the Provincial meeting held in Ottawa. Seldom has such a clear, concise report of three days of meetings been given, as Mrs. Aitkin gave in the short time that she spoke. The Provincial work is a big one, and there is progress in every department.

A "Plea for Home Missions" was made by Miss Robinson of Strathroy in a very earnest address in which she laid great stress on the need of the Home Church holding high the Banner of the Cross, in these days when Canada is such a cosmopolitan country and Christ's command is "Go ye and teach all nations."

The lunch hour was most enjoyable and a warm welcome was accorded the visitors by the Arkona ladies which was very suitably acknowledged by Mrs. Connor of Alvinston.

In the afternoon after devotional service, Mrs. Robertson of Toronto, 1st Vice President of our Provincial Board, addressed the meeting. She touched on all phases of the work from its organization, and told of what was being done in outposts and new sections of our country, as well as in more crowded places. The Deaconess Teacher, Nurse and Doctor are carrying on, in spite of difficulty and distance. Ladies from Arkona contributed suitable music and Mrs. Mackintosh of Napier sang "There is a green hill far away." These selections were heartily appreciated. A Finance committee was appointed to look into the financial affairs of the Presbyterian with the hope of wiping out the deficit and committees to arrange about a Mission Band Rally and to appoint a student to the Summer school were also named.

Place of meeting for 1923, Inwood, with Mrs. McVicar president and Mrs. Rush secretary.

In her closing words Mrs. McVicar spoke on the love of Christ, and the meeting was closed by singing "Come let us sing of a wonderful love."
