COMMENCEMENT EXERCISES AT ACADIA.

The 64th anniversary of Acadia College took place on Wednesday morning, June 4th, and long ere the time of the graduation the class of 1902 College Hall was crowded to the doors with interested people who, despite the unpleasant weather, had assembled in mass to witness this brilliant function. At the appointed hour for the commencement of the exercises the varied procession of government senate, faculty, alumni and students of the graduating class filed into the hall in time to the professional march, and occupied the former seats upon the platform, while the latter, the students, were seated in the front rows of the auditorium. The tastefully arranged banquet and other decorations with the significant characters "1902" in large and conspicuous figure, made well aware the fact that the class of '02 was about to add additional lustre to Acadia's roll of honor. President Trotter with a few brief remarks welcomed the visitors, after which Rev. Isa Wallace offered prayer. It was impossible that all the orations which each member of the class read in the Faculty's hearing could be delivered, consequently the following five were selected: 1. "The Statutes of Truth," by Warren Merrill Steeds of Amherst, N.S. 2. "Cecil Rhodes," by Harry Westworth Roscoe of Kentville, N. S. 3. "The Interpretative Power of Literature," by Bessie Margaret McMillan Isaac of Harbor, N. S. 4. "Browning's Teaching as Presented in 'Easter Day,'" by John Smith McFadden of Johnson's Mills, N. S. 5. "Socialism; its Economic Basis," by Ira Millard Baird of Clementsville, N. S.

The Degree Conferred. The following M. A. degrees, in course, were conferred: Miss Isabel Eaton, Acadia '98; daughter of B. H. and H. A. Hall; John O. Glendinning, '00; Aaron Perry, '01. The students graduating with honors are: E. Gordon Bill, mathematics; S. J. Carr, English literature; Miss Bessie McMillan, English literature; Denton J. Nelly, English literature; E. M. Baird, Greek and Latin; Harry W. Roscoe, Greek and Latin; Miss Edith Rand, Latin; W. Kenneth Haley, Latin and Greek; S. C. McFadden, physics.

The afternoon being very pleasant the anticipated baseball match between graduates and alumni on the one hand, and undergraduates on the other, had to be dispensed with. In the evening College Hall was the scene of a brilliant conversation at which the oldest and new talked their last talks for this college year. After Dr. Trotter had presented the prizes won during the athletic season of Monday afternoon, and humorous speeches delivered by Dr. G. B. Cutten and others, the National Anthem was sung and the sixtieth of Acadia's anniversary was pleasantly concluded. The weather throughout the exercises was very disagreeable, nevertheless the hall was packed upon each occasion.

THE BEEF TRUST SURRENDERS.

New York, June 9.—Defeated at every point in the proceedings instituted against it, the beef trust has raised the white flag in token of surrender. Its representatives confess the utter futility of the great combination, and pledge obedience to the law. In Chicago, on May 29, Judge Grosscup issued his contempt injunction at the request of Attorney-General Knox, restraining the trust from continuing the agreement upon which the monopoly was based. In this state, Judge Chester, of the Supreme Court, granted an injunction on June 4 for bidding the trust houses to combine with regular traders to supply the beef. In Missouri, on June 3, Schwartzschild & Sulzberger fled to a foreign disorganized of the trust, and the illegal character of the combination led to the passage of a stringent anti-trust law. The constant agitation of the combination have sought asylum in Mexico.

That the injunctions granted by United States Judge Grosscup and by Judge Chester have been completely nullified is a fact which the six firms constituting the beef trust admit. It is admitted by the packers themselves and by their counsel. In the face of the judicial orders, they have thrown up both hands, and now promise to resign the laws of trade that had been set aside by their contempt to renege their duty. Owing to the existence of abnormal conditions, the market decline in beef prices is not to be expected immediately. It has all along been admitted by the opponents of the trust that the security of corn was responsible for a certain portion of the advance, but the packers had taken advantage of this security to advance prices to exorbitant figures. What was the influence the high price of corn had upon the price of beef is still operative. All dealers admit that the decrease in beef prices must follow the decrease in the price of the trusthouses. That the abrogation of the agreement will lead inevitably to a decline in price is regarded as certain, though this result must be delayed by the natural reticence of the trust managers in maintaining prices at their present level as long as possible.

THE KITCHENER VOTE.

London, June 7.—In accordance with King Edward's message to the House of Commons yesterday, the government leader, Mr. A. J. Balfour, in the House today asked for a vote of £50,000 to Lord Kitchener. As a remarkable feat, the vote was given the same date three years ago, voted its thanks and £30,000 to the same General for his services in South Africa. Mr. Balfour, in supporting the motion, referred to Lord Kitchener's rapid promotion. He said he had been given to five public servants to compare so much work for the country. The highest student in the sophomore class—Elmer W. Reid, Berwick. The Kerr Boies Tupper medal for proficiency in oratory—Denton J. Nelly, Middleton. The afternoon being very pleasant the anticipated baseball match between graduates and alumni on the one hand, and undergraduates on the other, had to be dispensed with. In the evening College Hall was the scene of a brilliant conversation at which the oldest and new talked their last talks for this college year. After Dr. Trotter had presented the prizes won during the athletic season of Monday afternoon, and humorous speeches delivered by Dr. G. B. Cutten and others, the National Anthem was sung and the sixtieth of Acadia's anniversary was pleasantly concluded. The weather throughout the exercises was very disagreeable, nevertheless the hall was packed upon each occasion.

THE BRITISH BUDGET.

London, June 8.—In the House of Commons last evening, Sir Michael Hicks-Beach, Chancellor of the Exchequer, explained that alterations in the budget were made possible by the conclusion of peace. The reduction in the South Africa force would effect a saving in the direct war expenditure of £25,000,000. This saving would be applied to restoring the sinking fund and otherwise to reducing the national debt. The Chancellor announced that he had been decided by the government to retain the corn tax and also the additional income tax. The statement of Sir Michael Hicks-Beach consisted of a lengthy review of the financial situation. The Chancellor of the Exchequer said that the budget for the prosecution of the war would be needed to effect the mobilization and transportation of the British troops in South Africa, to move the Boer prisoners from the various concentration camps and to furnish garrisons for South Africa. The Chancellor of the Exchequer said he had had hopes for looking that in the course of a few months the budget for the prosecution of the war would be needed to effect the mobilization and transportation of the British troops in South Africa, to move the Boer prisoners from the various concentration camps and to furnish garrisons for South Africa. PAST CANADIAN LINE.

London, June 9.—The negotiations of the British and Canadian governments and some of the other colonial governments with the Canadian line and other lines competing with it, is termed the Liverpool syndicate (which is opposing Morgan's shipping combine). The syndicate, according to the "Westminster Gazette," both a fast service of mail and passenger steamers, in conjunction with the Canadian Pacific Railroad, and a fleet of fast freight steamers, the mail steamers which is proposed to build will be of enormous size, capable of steaming 25 knots an hour, and will be fully equipped for use as armed cruisers, carrying eight quick firing guns, forward and aft, and broadsides of three 4.7 inch guns. The freight steamers will be 10 knot vessels, carrying 6,000 to 7,000 tons dead weight. The "Westminster Gazette" thinks it probable that Milford Haven will be the port of departure of the fleet. The scheme contemplates a line of steamers running to China, Japan and Australia from Vancouver, because Canada and Australia are expected to join in paying the subsidies. The draft of the scheme involves the home government guaranteeing a small interest on the capital invested. This would have to be ratified by the Westminster Gazette. It will probably meet with opposition. A pipeful of "Amber" Plug Smoking Tobacco will burn 75 minutes. Save the tags, they are valuable.

NEWS OF THE WORLD.

Mont Pelee is still in violent eruption. Canada's parliament has just appropriated \$440,000 to encourage immigration. The surrender of 1,600 Boers in Cape Colony has already been reported. Sir Henry Strong has been appointed administrator of the government of Canada during the absence of Earl Darnley in England. The department of agriculture has been advised that during the period extending from Dec. 28th to May 31st there were 34,981 cases of smallpox and 1,094 deaths in the United States. It is said that throughout the war General DeWitt was never once hit, nor his adjutant was twice wounded, and he had six horses killed under him. A South African syndicate consisting of a former associate of the late Cecil Rhodes, have taken some property in Alaska on the Klondike boom, where they intend to invest £1,000,000. It is stated that the new passages to be opened upon the occasion of King Edward's coronation will include the shortest route from Sir William Harcourt, Sir Arthur Diver, Haver, and others.

It's all right! What's all right? Empire Lintiment is All Right

Read what Mrs. Wile, of Lunenburg Co., has to say concerning Empire Lintiment. Empire Lintiment Mfg Co. Dear Sirs,—I have used your Empire Lintiment and it has done wonders for me. I had catarrh of the worst kind and your lintiment removed it. I also used your lintiment for corns and pains of the soles of my feet (which kept me from going about) and today I walked to Bridgewater, a distance of two miles. You may use your lintiment so that others may be benefited as I have been, and I can truthfully say that there is no lintiment so good like the Empire Lintiment. MRS. ELIZA J. WILE, Wileville, N.
