

the song is lively and refreshing and dwells gratefully in the memory. Personally I am grateful to the author who has given us this unique addition to the literature of our industry.

### COMB HONEY WANTED.

We have a market for two or three thousand pounds of nice comb honey. Any one who has it to dispose of will please say the least they will take for it per lb., delivered in Hamilton or Toronto, also what quantity. We would prefer to get the whole lot in one place, or, at least, lots of not less than one thousand pounds in each. Be prompt please in advising us.

Over fifty new names were added to our list at Toronto, and we hope to do equally as well at London, full report of which show will appear in next or the following issue.

### HONEY IN EXCHANGE FOR SUPPLIES.

We have received already nearly 10,000 lbs., and, as a rule, the quality has been such as to command our best price. We can still take all that comes, at same quotations. Other honey-dealers tell us we pay too big a figure, but our desire is not to make anything much out of the honey, but to establish a market in which producers can always make an exchange for supplies at a fair price. Another season we hope to buy all that comes along paying both cash and trade, but at present, we find we can secure sufficient to fill our wants in the way we have chosen.

### CONVENTION NOTICES.

**MICHIGAN STATE BEE-KEEPERS' ASSOCIATION**  
—The next annual convention of this association will be held in Ypsilanti, Mich., Dec. 1st and 2nd, 1886. H. D. CUTTING, Sec., Clinton, Mich.

**THE EASTERN TOWNSHIPS BEE-KEEPERS' ASSOCIATION** will hold its second annual meeting at the Queen's Hotel, Cowansville, Missisquoi Co., Oct. 19th, at 10 o'clock, a.m. It is to be hoped that all bee-keepers in the townships will unite in making this a large and representative meeting. Bee-keeping throughout the eastern town-

ships is rapidly increasing, and an association, embracing all bee-keepers, cannot help but result in great mutual advancement. Bear in mind that we have secured a grant of \$100 from the Provincial Government, and with a large and active membership the success of the association is secured. FRANK W. JONES, Chairman Ex-Com. E. T. B. A.

THE NORTH AMERICAN BEE-KEEPERS' SOCIETY will hold its seventeenth annual Convention at Indianapolis, Ind., Oct. 12, 13 and 14, 1886. The meeting will be held in Pfaffins Music Hall, over 82 and 84 North Pennsylvania Street, one of the most pleasantly situated halls in the city, with good ventilation and plenty of light. The society headquarters will be at the Occidental Hotel, corner of Washington and Ills. Sts., near the heart of the city and but a short distance from the hall. The regular rate of this hotel is \$3 per day, special rates to those in attendance at the convention will be \$1.50 per day. The North Western Bee-Keepers' Society, the Indiana State, the Eastern Indiana, with various county and joint societies, will meet in union with the N. A., making it one of the most formidable meetings of bee-keepers ever held in the country. Everything possible will be done to make this meeting a pleasant and interesting one. An earnest cordial invitation is extended to all. FRANK L. DOUGHERTY, Secretary.

## SPECIAL NOTICES.

We will send Vol. I. of the C. B. J. nice y bound in cloth to new subscribers for \$1.25 or clubbed with current Volume for \$2.00.

### INCREASE YOUR HONEY SALES.

By a judicious distribution of our leaflets, 'Honey, some reasons why it should be eaten' you can sell every pound of honey you have. Customers who used them last season speak very highly of them. Prices with name and address, per 250, \$1.25; 500, \$2; 1000, \$3.25. Send for samples.

### REDUCED PRICE OF SECTIONS.

We have a good many thousand sections cut and stacked up in boxes ready for shipment, and if there are any who feel like laying in a good lot of sections for the season of 1887, we will give them a specially low quotation, so that after counting the interest on the money for eight or ten months, there will still be a good margin of profit in their favor. Of course these quotations will only apply to regular stock, unless where orders are for over 10,000 in odd sizes. Regular sizes are  $3\frac{1}{4} \times 4\frac{1}{4}$  and  $4\frac{1}{4} \times 4\frac{1}{4}$  and in widths of either
