"OUR NATIONAL FOODS"

Is the trade mark for a class of hygienic preparations that will cure Indigestion, Dyspepsia and Diabetes, when medicines fail. Hypocrates some 2,300 years ago traced back the origin of medicine to dietetics. Our Desiccated Wheat, Gluten Flour, Patent Barley and Baravena Milk Food will agree with any infant or invalid, and nourish them into health and strength. Every mouthful will prove effective. A physician who passed 8 oz. of sugar every day was cured of diabetes by our Gluten Flour. An infant a few months old was cured in three days. The cereals from which these foods are made are treated in the light of all the scientific progress of the times by converting the starch into dextrene, etc. Ask for them, use them and be convinced.
