

**MONTREAL MINING EXCHANGE**

**SLOCAN STOCKS BETTER - PAYNE IN THE LEAD-BIG THREE SELLS FREELY AT 13.**

Montreal, Nov. 7.

The feature of the market was the strength of the Slocan stocks. Payne showed signs of recovery from the start and remained firm all through the day, although there were no sales recorded, the quotations being 125-113, it sold as high as 118 on the Stock Exchange.

The demand for Slocan Sovereign was more prominent, it sold at 35, for 500 shares with a sale of a broken lot at 34; 35 was bid at the close, but the stock at present prices seems to be limited.

Big Three was again a leader in point of activity and advanced a point and a half from the lowest price, it sold repeatedly at 13 and was offered at 13.

Montreal Gold Fields sold at 9 1/2, 2,000 shares changing hands, it sold at the close of last week at 9.

There was a sale of Fern at 5 1/2, a block of 2000 shares being sold.

A special meeting of the stockholders of the Kenneth Mining and Development Company, the latest stock to be listed on 'Change will be held today at the offices of the secretary, Messrs. A. Marsh & Co., Columbia Avenue, Rossland, B.C., for the purpose of electing directors for the ensuing year and for the transaction of such business as may be brought before the meeting.

There was little change in other respects 30 was bid for Golden Star and 15 for Noble Five.

Evening Star was firm at 8 1/2, which was freely bid, and 12 1/2 for California without displacing any stock.

Virtue was offered at 47 1/2 and 46 1/2 was bid. Republic was firm at 117.

**MORNING SALES.**
