The attention of the insuring public and live progressive agents is called to the following reasons for selecting this Company.

First - It is the only Canadian Company that has from its inception given its policy-holders the security of a four per cent. reserve, all others without exception reserving on a lower standard.

Second - The policy contract is as liberal as any issued. No restrictions as to residence, travel or occupation, and incontestable after one year.

Third - The premium rates are low and the cost to the policy-holder is certain to be less than in any other Company because a better rate of interest can be earned in the West than at the home of any other Company.

Fourth - Every desirable plan of insurance is issued from the low priced "PAY AS YOU GO" plan to the shortest single premium endowment.
