# TO USERS OF LEATHER BELTING

#### SOME PERTINENT SUGGESTIONS.

**FIRST** 

We tan our own Leather especially for Belting.

We have increased our trade threefold during the last few years.

We sell our Belting according to a list that is 25% to 30% lower than the American list, which some sell by in Canada.

BUT

We have heard some consumers who are N.P. manufacturers say that they cannot get good Belting made in Canada.

Now

WE HAVE CUSTOMERS

AMONG THE

BEST MILLS IN CANADA.

To whom we have sold 3,000 to 40,000 Dollars worth of Belting.

One firm alone buying from us last year to the amount of \$10,000 for their Mill.

CAN YOU

HARMONIZE THESE FACTS WITH ANY OTHER THEORY THAN

1st. That our PRICES are RIGHT? 2nd. That our LEATHER is GOOD?

(3rd. That our BELTS are WELL MADE?

IF NOT

 $\left\{ ext{ Send us a Sample Order and see if we cannot please you.} \right.$
