## NOTES.

1.—The French Evangelization Column includes Mr. Warden's receipts and the list of Donations, etc., Mr. Tanner's collections for Building Fund, also, monies forwarded for Point Aux Trembles Schools. Perfect accuracy cannot be guaranteed.

2.—The Assembly Column includes remittances sent direct to Dr. Reid, except any that may have been sent in April.

3.—The Foreign Mission Column contains only ordinary contributions. Some congregations gave liberal special collections per Rev. K. J. Grant and Dr. McKay, but these being acknowledged in that connection and being chiefly from union meetings and individuals could not well be added to the congregational contributions.
