Cloth, \$5.50 net; sheep or half morocco, \$6.50 net. Canadian agents: J. A. Carveth & Co., Toronto.

This is the sixth edition of this unexcelled work in as many years. Such signal success must afford gratification alike to the author and to the publishers. In this edition the general plan and principles of classification adopted in the previous editions have been preserved. The many tabular presentations of points in differential diagnosis have been retained. Malaria, yellow fever, bacillary dysentery, cholecystitis, certain animal
