

CANADIAN MEDICINES

FOR THE
CANADIAN PEOPLE
AT THE
NEW MEDICAL AND DENTAL ESTABLISHMENT,
IN
Elgin Buildings, 85 Yonge Street,
TORONTO.

DRS. RUSSELL AND FOWLER

HAVE received from the Country a supply of **ROOTS, HERBS, SEEDS &c.**, from which they have prepared in their own Laboratory a number of **CURATIVE COMPOUNDS**, according to the most approved Eclectic Formulae.

It is not intended that these Remedies should supersede the necessity of every family having its own experienced Medical Adviser, in whom implicit confidence should be placed; they are rather designed in some measure to provide a safe and an efficient substitute for many of those secret and foreign nostrums with which the country is flooded, and the unadvised use of which has done much harm.

Every intelligent person must be aware that no medicine can be so general in its application as to be able to control even the same disease under different temperaments and conditions; in dispensing these remedies, therefore, Drs. Russell and Fowler will be ready to afford adequate advice as to their proper use without extra charge. Ordinary directions will be printed on the label of each bottle or package.

THE CORDIAL,

This compound contains no Opium yet it will ease pain and promote moderate perspiration. It is good for delicate females as well as restless children, removing Flatulence and Wind Cholice, and it is also very useful in Hæmics and Nervous Affections generally.

THE CANADIAN VERMIFUGE,

This preparation will be found as efficient as any Worm Medicine in the country. It is not only good for the expulsion of Worms but it also beneficial in those cases in which the appetite is depraved accompanied by emaciation, tumid bowels, &c.

ANTIBILIOUS PILLS,

This is a very excellent purgative in all ordinary complaints, it acts on the bowels effectually without producing debility or leaving them in a costive state.—Two or three taken at bed-time.

ANTISPASMODIC AND AGUE DROPS,

This is a powerful medicine for erasing the vital energies to throw of disease—such as Spasms, Fits, Suspended Animation from Lightning, Drowning, &c. Taken in conjunction with the Ague Powders it affords in most cases a certain remedy for Fever and Ague.

AGUE POWDERS,

For a common case of Intermitting Fever these Powders, during the Intermission will be found quite sufficient of themselves to cure the disease.

Rheumatic Liniment,

NERVOUS PILLS.

These Pills are invaluable in Neuralgia and all painful Nervous affections—being devoid of Opium they have rather an aperient than a constipating effect.—One or two every two hours, or as it may be necessary.
