ESTABLISHED 1867.

The best test of any School is the patronage it receives from those who live in its vicinity, and are in a position to judge of its merits. We are glad to be able to announce that our local patronage is greater than ever before. Students are also in attendance from all parts of New Brunswick, and from several sections of Nova Scotia and the United States. We hold out no false inducements. People judge our Institution by its breadth and thoroughness of its courses of instruction, and, especially, by the success of its graduates in this they are right; and we are quite willing that these facts shall always be applied.
