S. B. SCOTT & CO.,
AGENTS FOR
The new noiseless WHEELER & WILSON GOLD MEDAL SEWING MACHINE.
NO. 354, NOTRE DAME STREET.

A most important improvement has been made in this Machine by which its strength is vastly greater than before. It now runs with the greatest ease stitching six ply of woollen cloth. It also works nearly twice as fast as the Shuttle machines and less liable to derangement.

The Grey Nuns and other institutions of this kind, write us as follows regarding these excellent Machines, and it is a significant fact that none of these names are to be found in testimony of the value of any kind but the WHEELER & WILSON.

To Messrs. S. B. Scott & Co.:
Sirs,—We, the undersigned, Sisters of Charity, certify with pleasure that after a trial of ten years, we have found WHEELER & WILSON'S Sewing Machines superior in every respect to all others used in our establishment.

Their mechanism is strong and perfect, and with little care never get out of order.
SISTER COUTLER,
SISTER BAYEUX,
General Hospital.

Grey Nunnerp.
To Messrs. S. B. Scott & Co.:
Sirs.—We are very happy to be able to recommend WHEELER & WILSON'S Sewing Machines, for which you are Agents, to all persons who may be wanting an article so useful as a Sewing Machine. After an experience of ten years, we are not only able to speak with confidence of their usefulness, but also of their great superiority over all other Machines that we have tried in our establishment.

These Sewing Machines have three advantages of great importance—rapidity of motion; adaptation to a great variety of work and material; and little or no expense for repairs.

Providence Nunnerp.
Agents wanted everywhere to sell the improved WHEELER & WILSON'S GOLD MEDAL SEWING MACHINE, to whom exceedingly liberal terms will be given.
