"WASHED AWAY AT ST. LEON."

Had Sciatica and Rheumatism very bad for over a year; pains day and night; could not rest or sleep; often confined to bed. Tried everything I could find, but got no relief. Went to St. Leon Springs and got the disease **Washed Clean Away.** That was two years ago, and have never had a twitch of the trouble since.

COMMANDANT HERBERT H. BOOTH.

COMMANDANT BOOTH of the Salvation Army was born in Penzance, Cornwall, Eng., in 1862. He commenced active work in the Army in 1880 when he was sent to Paris and began operations in the Belleville quarters at some considerable personal risk. He is a born organizer and has had a great deal to do with originating and perfecting the varied methods of work which have proved so marvellously successful in securing sinews of war and developing the power of the organization. His experience in Salvation work has been varied and extensive. In pursuance of his duties he has made the tour round the world and seen the operations of the Army in most if not all of the widely scattered lands where it has obtained a foothold. Commandant Booth is a thorough musician, and has devoted a great deal of attention to promoting the efficiency of the musical service which plays so prominent a part in Salvationist exercises. He is also a religious poet and has produced a very large number of songs for Army use, many of them set to tunes of his own composition. He was married two years ago to Miss Corry Schoch, daughter of a prominent Dutch family.
