

IRELAND'S FRIENDS.

GLADSTONE DETERMINED TO FIGHT FOR IRISH HOME RULE.

bonchere Taunts the Whigs and Chamberlains and Urges Irishmen to Ferrevere—A Plain and Sober Policy for Ireland.

LONDON, Aug. 23.—Mr. Gladstone, in an address at Chislehurst on Saturday, said: "The enthusiasm of the British friends of the home rule idea is an incentive to me, to never be beaten in it, but to continue the struggle for the happiness of Ireland."

THE DEBATE ON THE ADDRESS.

Mr. Labouchere, resuming the debate on the address in reply to the Queen's speech, said Lord Randolph Churchill's recent electoral manifesto was an insult to the Radical party.

URGED IRISHMEN TO CONTINUE THEIR EFFORTS

by legitimate means to obtain their rights as a nation, struggling to be free. (Cheers.) The followers of Mr. Parnell had a right to be proud of their leader.

THE CHIEF SECRETARY REPLIES.

Sir Michael Hicks-Beach said it was the duty of the Government to restore order and administer the government in Ireland with the law as they found it.

THE DISORDERS IN BELFAST AND KERRY

to be allowed to continue until the electorate changed their minds and returned a parliament pledged to Mr. Gladstone's policy?

A BIG GLADSTONE VICTORY.

THE ELECTION IN LEITH OVERWHELMINGLY IN FAVOR OF THE HOME RULE CANDIDATE.

EDINBURGH, Aug. 21.—In the new election which has just taken place in Leith to fill the vacancy caused by Gladstone choosing to sit for Midlothian, Ferguson, the Gladstonian candidate, has been overwhelmingly successful.

A PRINCE'S FALL.

STORY OF PRINCE ALEXANDER'S SUDDEN DEPOSITION.

LONDON, August 23.—A despatch from Vienna to the Times contains the following: Prince Alexander was deposed by conspiracy. He was escorted to Widdin to embark thence on Sunday for Severna, Roumania.

STILL FAITHFUL TO ALEXANDER.

BUCHAREST, August 23.—Advices from Sofia say that Karaveloff's provisional government, realizing that the public sentiment remained favorable to Prince Alexander, caused a circular to be distributed among the people, calling a ministerial list containing the names of prominent men and parties who, the document declared, were in the new movement.

WHY HE WAS DEPOSED.

SOPIA, Aug. 23.—The Government's proclamation announcing the deposition of Prince Alexander and the reasons therefor declared that "he rendered great services on the field of battle, but politically he had too little regard for Bulgaria's position as a Slav state."

THE FEELING IN RUSSIA.

St. Petersburg, August 23.—The Russian press was less excited at the deposition of Prince Alexander than it was when Romenia revolted in 1855, the newspapers here generally for some time past having believed that the political tension in Bulgaria foreshadowed a catastrophe.

ENGLISH POLITICAL VIEWS.

LONDON, Aug. 23.—The events in Bulgaria formed the principal theme of conversation in the lobby of the House of Commons to-night. The Parnellites and advanced Radicals hold that diplomatic complications must inevitably ensue, arguing that it will be impossible for the Government to submit to a coup d'etat which so greatly increases the Czar's influence in the Balkans.

COMMERCE.

Weekly Review of Montreal Wholesale Markets.

Little of a novel character can be said as regards the trade situation. A good healthy movement in wholesale circles is anticipated when harvesting operations in the country are over.

FLOUR, GRAIN, &c.

FLOUR.—Although there has been no activity in the market, a fairly steady business has been in progress during the past week at steady prices, especially for fresh ground flour, which is scarce and wanted.

PEAS.—A good quantity has been shipped from store this week. The asking price is 74c, although buyers do not want to pay over

73c. With easier Glasgow freights, however, holders appear to be more confident.

RYE.—There has been some enquiry, but we learn of little or no business. Holders ask 57c and buyers offer 55c.

MAIZE.—The sale is reported of a good sized lot of No. 1 Montreal at 85c per 36 lbs. in bond, and quotations range from 85c to 90c. Ontario maize is quoted at 70c to 80c as to quality.

HARLEY.—It is feared that a good deal of barley will be stained in this vicinity owing to the late heavy rainstorm. Prices are nominally unchanged at 45c for feed and 50c to 55c for malting.

BUCKWHEAT.—Farmers speak of a poor crop of buckwheat in some sections. Prices here are steady at 50c per bushel per 48 lbs. There is still some enquiry from the United States.

SEEDS.—The market has undergone no change since this day week, and prices are still of a nominal character. Clover seed \$7 to \$7.25, Alsike \$7.50, and timothy \$2.50 to \$2.75 per bushel.

CORNMEAL, &c.—There is not much actual trading in oatmeal, only a few lots of ordinary being reported sold at \$4.25 as to quality, cheap grades having been sold at \$3.90 to \$3.95 per bbl. Sales of bags have also taken place at \$2.10 to \$2.10 per 100 lbs. Meal is steady at \$22.50 to \$23.00 per ton. Pearl barley \$6.50 per bbl. and split peas \$3.65 per bbl. Cornmeal remains quiet at \$1.50 to \$1.70.

MILL FEED.—Bran meals with good enquiry with sales of car lots at \$12.50 to \$13.00 on track, smaller quantities being reported at \$13.50 to \$14.00. Shorts, \$1.00 to \$1.50 per ton more.

WHEAT.—A fair export enquiry has been experienced for wheat, and sales of red winter have been effected at from 83c to 84c. We quote as follows on this market: soft: Canada red winter, 85c to 85c; Canada white do., 81c to 85c, and Canada spring, 81c to 84c. Toledo No. 2 red winter, 84c to 85c.

CORN.—The market here is dull, the only business reported being on through shipments from the West, on the basis of about 50c to 51c in bond here.

OATS.—Some new oats were brought in by farmers which showed excellent quality. The market is quiet at 31c to 32c per 32 lbs., as to quality.

FISH.—New Cape Breton herrings are scarce, receipts having been small so far and; pretty well sold out, which we quote at 55c; 55c; 55c; dry cod rather easier at 27c to 28c; Labrador herrings not expected for a month yet, and no receipts of salmon yet to hand. Business is of a light character.

GROCERIES.—A moderate movement is going on. Tea is beginning to move more freely, and fair sales of new crop Japan are reported, principally grades at about 25c. The market in Japan is reported steady. Green teas are looking up, and prices here are said to be 30 per cent. lower than new importation could be laid down for now. A fair movement exists in blacks, ranging from 15 to 30c. Coffee quiet, with a scarcity of good Hio. Sugars about as before reported, granulated 6 3/4 to 6 1/2; at refinery; yellows, 5 to 5 1/2, with still a great scarcity of brights. Barbadoes molasses 31c. In fair lots, one large lot sold recently at 80c. Syrups dull. Rice unchanged. New Valentias will cost about 7 1/2c laid down. Currants, 5 1/2 to 5 1/2c. Old Sultan is selling pretty freely at 7 1/2c; good Elemer, 7 to 7 1/2c. In spices, pepper still remains high, and it would cost 25c to lay down a fair sample of cloves. Canned goods are high as a rule; mackerel, \$2.80 to \$3 salmon, \$1.35.

LEATHER AND SHOES.—The manufacturers all report good orders, but are not buying freely as yet, and in leather business continues only moderate. Hides are still firm, and leather prices steady at quotations, with the exception of some lots of inferior sole. We quote: Spanish sole B. A. No. 1, 24c to 25c; do. No. 2, 23c to 24c; do.
