Merchants' Bank, Napanee, has been super-
annuated. This is the result of advice given
to Mr. Smith by his physicians. The agency
of the Merchants' Bank of Canada at that
point was established some thirty years ago
and has until now been under an unchanged
management.It is announced that the new steamship
which is being built for the White Star line at
Belfast will be 700 feet long, with a beam of
68 feet, and engines capable of 45,000 horse-
power. This is, of course, an attempt to sur-
pass in size and speed the new Cunarders.
The "Gigantic," which is to be her name, is
expected to do 27 knots per hour.At the recent druggists' convention in De-
troit, Mr. Frank A. Faxon, of Kansas City,
was elected president of the National Whole-
sale Druggists' Association, and Mr. J. C.
Eliel, of Minneapolis, the first vice-president.
The treasurer, Mr. Strong, and the secretary,
Mr. Merriman, were re-elected. The next
convention will be in Kansas City.THE October passenger traffic upon the rail-
ways leading to Chicago is very heavy. The
Michigan Central is now running all its regu-
lar trains in two sections, and so are some
trains on the Grand Trunk and other roads.
The Chicago and Northwestern claims to have
beaten all other railways in carrying people
on "Chicago Day" at the World's Fair. It
carried, in three days, Saturday, Sunday and
Monday, 102,020 passengers, "and of this
number not more than 25,000 represented
commuters."We are showing this month a
