

ATLANTIC Terra Cotta can be used for so many different kinds of buildings that it is hard to give definite information unless we know something about the building you have under consideration.

If at any time you find it convenient to write us a description or send us a few rough sketches we shall be glad to answer personally and in detail.

Perhaps we can supplement our answer with a copy of our monthly magazine, *Atlantic Terra Cotta*, containing illustrations of particular interest.

Anyway, we shall do our best to give you the information you want, and we shall *not* subject you to a long and mechanical series of "follow-up" letters and folders.
