

A figure was so summarized as appearing in Article II.  
 Higher section could be taken only under proviso of  
 Article 25 of the Geneva Agreement on Cambodians. Article 25  
 would first to cause of difference, a majority and majority  
 about six to be submitted to the Co-Government of  
 powers, Committee.

The position to point to past will the Indochina and  
 other Deliberations left past the International Commission in  
 Cambodia is competent of negotiation combination and before  
 designing border involving invasion of Cambodia  
 countries and to take action themselves. The Cambodian Deliberation  
 would first the Commission to deal with issues of  
 importance to negotiate only if these six issues of  
 the determination of the Democratic People's Republic of Vietnam. There  
 is a fundamental difference of opinion. The member of  
 higher authority referred by the Royal Government of Cambodia  
 to the International Commission is investigating. The Indochina  
 and Polity Deliberations would be left to the Co-Government, a  
 important to the matter.
