

ANNEX A

1. a) Each Party agrees to provide annually to the other Party a list of its fishing vessels which propose to fish albacore tuna off the coast of the other Party. The list will include;

- (i) vessel name;
- (ii) home port;
- (iii) radio call sign;
- (iv) fishing vessel registration number, and
- (v) captain or operator's name, if known.

b) Each Party may provide the other Party with additions or deletions to its list at any time.

c) As soon as possible after receipt, and subject to paragraph 1 (d) below, the receiving Party shall satisfy itself that the list received meets the criteria of paragraph 1 (a) and shall so inform the other Party in order to enable the albacore fishery to proceed pursuant to this Treaty.

d) Should, due to serious or repeated fisheries violations or offenses, one Party object to the inclusion of a particular vessel on the list of the other Party, the two Parties shall consult. In this event, actions pursuant to paragraph 1 (c) with regard to other vessels shall not be delayed. Following consultations, each Party shall notify its vessels which both Parties agree shall not be included on the list referred to in paragraph 1 (c).

2. If required by either Party, each vessel shall, upon entering and at least 24 hours prior to leaving the fishing zone of such Party, so inform the appropriate authorities and provide the vessel name, radio call sign and captain or operator's name.

3. When in the fishing zone of the other Party, each vessel shall have its name and radio call sign prominently displayed where they will be clearly visible both from the air and from a surface vessel.

4. Vessels of both Parties shall keep accurate log records while fishing pursuant to this Treaty.

5. In order that better information on the stocks of albacore tuna which migrate off the west coasts of the United States and Canada may be obtained, each vessel engaged in fishing pursuant to this Treaty shall provide to its government statistics and other scientific information on its operations in the fishing zone of the other Party. Each Party shall provide to the other Party twice yearly such information and in particular the amount (number and weight) of albacore tuna caught by its vessels in waters under the fisheries jurisdiction of the other Party. Other specific information to be provided, as well as the forms and procedures for providing such information, shall be agreed upon by the two Parties.
