

SECTION IV: PROCEDURES FOR ON-SITE INSPECTIONS AND MONITORING

PART 1: Procedures for On-Site Inspections

Article 34. The basic rules for verification through on-site inspection are laid down in Article IV of this Treaty.

Article 35. The purpose of an international on-site inspection is to verify compliance with the Treaty. A team of inspectors (hereinafter referred to as the Inspection Team) shall be dispatched by the Agency and shall present a report to the Board of Governors of the Agency on the observations made during the inspection.

Article 36. The Inspection Team shall begin its inspection in the specified area to be inspected not later than seven days after the Board of Governors of the Agency has decided to conduct an inspection. This area must be continuous and not exceed 1,000 km² or a distance of 50 km in any direction. An inspection shall normally not exceed seven days after the arrival of the Inspection Team at the site in the territory of the State Party to be inspected.

Article 37. In accordance with the Agency's basic rights to use its own communication systems and means of transport and to take samples and bringing such samples out of the inspected country, the Inspection Team shall, during an international on-site inspection, be entitled to

- conduct visual inspections of the area from the air and on the ground;
- conduct inspections of the area using infrared means of observation from the air and on the ground;
