Principal,  
McGill University,  
M O N T R E A L.

Dear Sir:-

I regret to have no reply to my communication of the 1st inst. re room for my family in the Observatory and as our present position is no longer tenable I have to inform that I intend this evening to sign a yearly lease for an Outremont apartment.

If this <sup>is</sup> contrary to any plan being made in the matter I shall be glad to know in the course of the day.

Yours respectfully,

JW/MC.
