

147 GREY AVENUE
MONTREAL, P.Q.

Aug 4, 1920

Sir Arthur Currie,

Principal McGill Univ.
Montreal.

Dear Sir

After a somewhat strenuous year, I am taking a little holiday during the month of Aug.

But I cannot refrain from congratulating you on the success of your first work in connection with the University, at the Special Convocation yesterday. On all sides I heard mention of the good effect produced.
