

THE EXPOSITORY SERIES.

Four volumes, 12mo, cloth, each \$1.00.

Christ in Isaiah.

Expositions of Isaiah XL.-LV.

"The redemption of Israel out of Babylon is here made the subject of a series of lucid and inspiring expository essays, covering the section of Isaiah's prophecy devoted to that theme (Chapters 40-55). The quality of the author's work as an interpreter of Scripture is already well known and highly appreciated in this country. Nothing thus far issued by him can, in our judgment, deserve wider or longer favor than this apt, keen-eyed, eloquent expansion of the prophet's inspired words."—*The Watchman*.

The Way Into the Holiest.

Expositions of the Epistle to the Hebrews.

"The aim of the author in this work is to deduce the great spiritual lessons which are enshrined in the sublime words of the epistle. It is needless to say that Mr. Meyer has admirably succeeded in accomplishing his purpose. The expositions as a whole strikingly show that Christ's death was substitutionary, and they also exhibit the true relation of the Old Testament symbols of sacrifice and priesthood of the Lord Jesus Christ. The greatness and glory of the Son of God are forcefully illustrated, and the characteristics of the ideal Christian life are finely described, as well as the nature of the discipline by which the divine character is perfected in man. The expositions are admirable specimens of lucid spiritual teaching couched in simple, but eloquent language. Loyal disciples of Christ will prize this tribute to the honor of their Lord. It is a volume of rare worth."—*The N. Y. Observer*.

The Life and Light of Men.

Expositions of John I.-XII.

"These expositions have the character of all Mr. Meyer's writings. They combine devout insight into the rich resources of the Word of God, with skill in adapting it to the spiritual needs of his readers. He is earnest, practical, personal, and he does not allow his good intentions to supply the place of research and study, or to supersede the necessity of thinking for himself. And he rises above the common mistake of devotional writers, who assume that the same rules will suffice; and the same experience is required of every believer."—*The Sunday School Times*.

Tried by Fire.

Expositions in the First Epistle of Peter.

"The popularity of Mr. Meyer's Expositions is a good sign of the times. This latest is one of the best, and is full of tender Christian wisdom. The chief charm of the book is its earnest simplicity."—*The British Weekly*.

"As is well known, Mr. Meyer's style is vivid in description and mostly deeply spiritual in insight and application."—*The Christian Advocate (N. Y.)*
