# The Oliver Type-writer \$95

The Invoice and statement work that can be done on the OLIVER is beautiful to look upon, and costs so little to do, that, putting it broadly, an Oliver Typewriter will save you the wages of at least one invoice clerk, and reduce the chance of error. This is worth investigating.

She was not from Chicago.  
"Do not anger me," she said.  
"How am I to know when you are angry?" he asked.  
"I always stamp my feet," she answered.  
He looked down at her dainty shoes. "Impossible," he said. "these isn't room for a stamp on either of them."  
That fetched her.—Cleveland Plain Dealer.  
When the Virginian who lived in the wretched log cabin with a family of seven had told me that forty acres of land was a solid coal bed, I asked him if his deed was all right.  
"Never had no deed, sah," he rather proudly replied.  
"But have you no papers at all?"  
"No, paper 'tall, sah. I jest squatted down on this yere land thirty years ago, and hev bin yere ever since."

But if you have no papers won't the owner come along some day and bounce you out?  
"Not skassly, sah—not skassly. That is to say, sah, that the real owner has come along three different times and tried it, and every time he got killed and had to give it up. Deeds and sich things are all right 'nuff in their way, but my old gun, with a bar'l seven feet long, is a heap better right round yere."  
—Washington Post.  
Thos. May's establishment, on the corner of McGill and Notre Dame streets, Montreal, was badly damaged by fire on Jan 18. The loss will be close to \$250,000, as the firm carried a very valuable stock. There was \$300,000 insurance carried on the stock, and \$50,000 on the building.
