

BOERS SURRENDER.

LONDON, May 28.—A despatch to the Daily Telegraph from Pretoria, reports that 20 Boers have surrendered at Frankfort, in the Orange River Colony.

A statement is issued by a news agency this morning that Lord Kitchener will become adjutant general to the forces, instead of taking command of the Indian army, as previously reported.

DO YOU FEEL SEEDY?

If You Are Nervous, Depressed, Sleepless and Suffer From Sick Stomach, Headache, Constipation and Indigestion, You Need a Good Tonic Like Ferrozone to But Up the System.

Thousands are in this dreadful condition, only half alive, unable to stand the strain of work and worry. There is no sense or reason in trying to be comfortable with the idea that it will pass off, and that you are going to be better soon. Unless the system is cleansed of the impurities that poison the blood, you will never be better. The best remedy is Ferrozone. It achieves marvellous results in chronic wasting diseases, nervous prostration, faulty nutrition, heart disease, and stomach troubles.

Ferrozone promotes healthy digestion which results in all food being assimilated. Nutrition is vastly improved, the blood grows richer and red and gives stability to the entire system. The store of nerve energy and force increases daily by the use of Ferrozone. The process of waste is arrested, and in its place a rebuilding of the whole system takes place.

Diseased conditions cannot exist where Ferrozone is used. It attacks disease at its very foundation, and by keeping the body well nourished and supplied with strong blood and a powerful nervous organization prevents and keeps away all manner of sickness.

There is no blood builder, nerve tonic and strength producer that can equal Ferrozone, and few people are so well that could derive great benefit from its use. It is valuable in Nervous Dyspepsia, Anaemia, Weakness, Impure Blood, Bronchitis, Neuralgia and Rheumatism. It is prepared in the form of a chocolate coated tablet and is both pleasant and convenient to use.

Ferrozone produces that high standard of health so much desired by everyone. It brings back the rosy tint to the pale cheeks of the Anæmic girls and women. It puts grace and elasticity into their movements, gives lustre and brightness to the eye, and symmetry and roundness to the form. It gives a man new strength and energy with which to pursue his daily toil, and can be relied upon at all times to benefit and give perfect satisfaction.

You can't invest half a dollar to better advantage than in a box of Ferrozone. Your druggist has it, or it will be mailed to your address if price is forwarded to N. C. Polson & Co., Kingston, Ont.

LOOKS LIKE MURDER.

Body of a Man Found Floating in River Near Grand Falls

With a Bullet Hole Permeating His Skull

Dressed as a Stream Driver—Robbery the Probable Motive.

GRAND FALLS, May 27.—On Saturday Alfred Tardy and Baptiste Groudy, while drifting down the St. John river on a catamaran from Edmundston, discovered the body of a man miles above Grand Falls. They examined the body, and were horrified to see that the man had been shot, a bullet having entered the back of the skull, which it penetrated and passed out at the forehead. The unknown man was attired like a stream driver and his boots were missing. They removed the body up the bank, and notified Mr. Smith of their gruesome find.

From the appearance of the body, which was still bleeding from wounds in the back of the head, they state life was extinct not more than five or six hours. The body will probably be identified at the coroner's inquest, and an effort then made to clear up the mystery. Robbery was, no doubt, the motive of the crime, since a stream driver would have on his person a large sum of money, the result of his spring's labors. Some surmise that the shooting occurred during a drunken quarrel. Late Friday night, several Indians portaged a canoe from the upper to the lower basin, and proceeded down river. Some think that they could solve the mystery.

SERIOUS CHARGE.

Man Arrested on Charge of Fraudulently Taking Possession of Drifting Logs.

GRAND FALLS, N. B., May 26.—Chas. F. Watson was arrested on Friday and brought before Justices Jensen and Abildgaard at New Denmark, charged with fraudulently taking and having in his possession saw logs adrift in Salmour River, the property of James A. Patterson, without the consent of the owner thereof. J. J. Gallagher, barrister of Grand Falls, appeared as counsel for the prosecutor, James A. Patterson, and the prisoner was undefended. Watson was remanded until next Thursday and he entered into a recognizance to appear at that time. Meanwhile the justices will forward the depositions to the attorney general in order to obtain his opinion regarding the sufficiency of the evidence to commit Watson for trial. Patterson has already suffered severe financial losses this season from persons stealing and rafting his logs and defacing his marks, and he is determined to put an end to the practice.

Look At It.

We mean our little picture here. There's a vaporizer, you put some Vapo-Cresolene in it; there's a lamp, you light it. Then you just naturally breathe in the vapor. You can read, or sew, or study, the cure goes right on all the time. Now you see why the doctors all speak so highly of Vapo-Cresolene for throat troubles. It takes the medicine just where it's most needed, and it is a perfect cure for whooping cough.

Vapo-Cresolene is sold by druggists everywhere. The Vaporizer and Lamp, which should be a good time, and a bottle of Cresolene complete, for an extra supply of Cresolene as you use it, send illustrated booklet containing directions, to Geo. Gilman, 15 Fulton St., New York, U.S.A.
