Dr. Williams' Pink Pills Cure Disease Through the Blood.

Medicines of the old-fashioned kind will sometimes relieve the symptoms of disease, though they can never touch the disease itself - they never cure. Ordinary medicines leave behind them indigestion, constipation, pullousness and headache; purgatives leave the patient feverish and weakened. Dr. Williams' Pink Pills, on the other hand. ferred from an almost constant futtering of the heart, and sometimes severabains. The least exertion would leave me breathless and tired out. My appetite was poor and my head ached nearly all the time. I had lost all ambition to do any work, and felt very hopeless. I had taken a great deal of medicine without any benefit, until I was advised to try Dr. Williams' Pink Pills. These have made a remarkable change in my condition, and I am feeling better than I have done for years. I gladly give my experience in the hope that it will benefit others."

# ULTRA VIRES TO BE HONEST SAYS C.P.R. ABOUT G.T.R.

More Argument Over Division of That Western Tract of Land-G.T.R. Claims Necessity.

The suit of the C.P.R. to compel the G.T.R. to divide the 17-plus acres of land near the Central Prison, bought by the latter railway in 1903 from the Ontario government, was concluded before Justice Teetzel yesterday, who reserved judgment.,

Mr. Armour, for plaintiffs, declared that, to show that the whole of the land was not necessary to the G.T.R., there was a letter from Mr. Hays offering the northern half, but the C.P.R. claimed that they were entitled to one-half share of the street front-
