MONDAY MORNING

THE TORONTO WORLD

JANUARY 28 1907

Notable Function Saturday Even- Yonge St. Bridge Bobs Up Again ing, When Literary Lights Shone for Consideration; Also Brilliantly in Toronto.

Grub-street would have been para-TO-DAY AT THE CITY HALL. lyzed at the thought of such a din-11 a.m.; Special meeting of the ner as the Canadian Society of Authors sat down to on Saturday night 3 p.m.: Regular meeting of the in McConkey's at ten shillings an city council Yonge-street bridge, the elusive, will again claim consideration at this after-noon's meeting of the city council, the first regular business session of 1907. Controller Harrison is responsione author. Of course they were the very

elite of authors and not to be compared with the ordinary Grub-street hack, or even such shabby-genteel scribes as Goldsmith or Johnson. It

hack, or even such shabby-genteel scribes as Goldamith or Johnson. It was a truly brilliaht assembly-from the fashionable point of view, which, as usual, was cut low, and in respect of the menu, which, as already indi-cated, came high. Byron E. Walker occupied the chair, and his honor the lieutenant-governor sat on his right hand; with Principal Peterson, McGill University: Prof. Cappon, Queen's University: Prof. Cappon, Queen's University: Prof. Mcrhail as the guests of honor. Be-sides a large number of iadies among whom were Jean Blewitt and Laura B. Durand, the table plan showed the following names: President Hutton, Gi T. Blackstock, Prof. Rainsev Wright, J. Smith, D. R. Wilkie, Dr. Purkin, Prof. Mavor, W. D. Lighthal, Prof. Peiham Edgar, Principal Auden, Prof. Peiham Edgar, Principal Auden, Prof. Prof. Keys, Prof. Coleman, John Lewis, John A. Cooper, E. J. Kylie, S. V.

in Your Name. The movement in the direction of a Public Ownership League is a popular Some day it will take concrete form, and those who have sent in the names will be asked to get together and form an organization with officers at its head and a definite object in view. Some of the responses contained a ord of encouragement. A. W. Wright, one of the pioneers of the public own

STRENGTH LIFS

one of the pioneers of the public own-ership movement. suggests that strength can only be attained by unity, by organization, and refers to the fable of the old man and the bundle of sticks. Mr. Wright says: Your move for the formation of a Public Ownership League is most time-ly. Thanks in very great measure to The World and the member for South York there is now a volume of public sentiment in favor of this reform of York there is now a volume of publi sentiment in favor of this reform or reforms, sufficient to write into the statute books all the legislation necess sary to enable the people to enter int possession of their own, and enoug to repeal all such pernicious hinderin laws as the Connee Act. But the volume of sentiment and opinion scattered, unorganized, and conse quently ineffectual. Friends of publi ownership are to be found in both po-litical parties. Probably they are in ownership are to be found in both litical parties. Probably they are j as numerous and as earnest in party as in the other. Possibly, there were any means of making count, there would be found to be n jorities in both parties, at any n in Ontario. When the old man in fable sought, by means of his bun of sticks, to teach his boys the son that there is strength in un son that there is strength in unit the first thing he did was to gather sticks. Let the friends of public ow ership be brought together by t league movement you propose; them get into touch with each oth set the know each other and beau

son Toronto did not appreciate Mc-Gill was from its associations here with a mean street. The first thing he saw in Toronto was the announce-ment, "True bill against McGill"-(laughter)-and it gave him a shock. Canadian life in more than one of its activities was too much divided up into water-tight compariments. The
