T. EATON CO. 190 Yonge St. Canada's Greatest Store.

Yonge AND QUEEN STREETS, Sept. 23, '1896.

After the Equinox!

warmer clothing, and hundreds of salespeople large numbers of fatalities occur each Under date Sept 16, General Cameron are ready to show the goods you want. This the majority are traced to lack of the lows: are ready to show the goods you want. This store answers to every possible need of men, women and children, together with the entire range of home comforts. It's not new thing range of home comforts. It's no new thing to say that. We emphasize it in some form or other every day, but everybody doesn't realize the grip we have on popular lines of goods. You can get some idea from this list. You can get a better idea by coming to the store.

"THE SLATER SHOE." SELL THEM AT-GUINANES

89 KING STREET WEST Successis Assured GOLD FIELDS EXPLORATION THE BRITISH-CANADIAN

AND INVESTMENT CUMPANY, LIMITED. Will immediately proceed to the development of important Mineral Pro-perties in British Columbia. Sufficient capital has a ready been subscrib-ed to enable the company to carry on this work, and with the additional capital it is proposed to raise by the sale of this issue of the stock, immense advantages may be arrived at this season of the year, by being able to secure at a moment's notice properties of merit. Therefore, for a few days longer, they will continue to sell fully-paid and non-assessable stock at 10 cents per share. The next issue will be 15 or 20 cents.

at 10 cen.s p r share. The next i-sue will b · 15 or 20 cents. All the leading shareholders are residents of Canada. This Company is formed for the purpose of acquiring and dealing in mining properties and options, and buying, selling, oper-ating, leasing, prospecting and developing mining properties; also smelting, refining, assaying, etc., and all and any other business per-taining to the mining industry, and to lease, buy, or otherwise ac-quire land and properties for town site purposes, and all other rights in connection therewith, and to construct rallways, tramways, and

in connection therewith, and to construct railways, tramways, and roadways to mines. To do business throughout Canada and London, Eng., as min-ing brokers, company promoters, and general mining operators. To carry on this branch in the most conservative manner, refusing to list or handle stocks of a doubtful character, or which the Board of Directors; on the advice of its officials, consider capitalized beyond the value of the property. To provide all information for its stockholders at its offices as to the value of any property, the progress of the various mines, and such literature as will enable them to more thoroughly understand the gold mining industry. THE ONLY MINING ENTERPRISE THAT HAS PAID ITS

THE ONLY MINING ENTERPRISE THAT HAS PAID ITS WORKING EXPENSES out of profits during the first week of in-

Our Western manager will leave Toronto in a few days to commence active and vigorous development work on several proper-ties which we hope to push all winter. We hope to receive very fav-orable reports from these properties within a few weeks. Every dollar subscribed now strengthens our company and makes success certain. The stock will only remain at the present price for a short time.

The Company believes that such a corporation is able to take The Company believes that such a corporation is able to take advantage of every opportunity that presents itself to secure good properties. Having the means to develop them is vastly sup-rior in its capability to earn dividends than any six mining companies only having one claim and having to depend day by day upon the public buying their development stock. Nor do they rely upon hav-ing to develop a property until it is a dividend payer before any re-turns are received by the shareholders. They believe that by dispos-ing of properties they have partially developed they will be paying dividends long before that time arrives, and work will still be going on in the most important of the company's mines. Besides the boom has not yet struck Bri ish Columbia, BUT IT WILL, as it is acknowledged that a great deal of English capital will be sceling investments there next spring, and any properties secured now will
