#### PRODUCE MARKETS.

Toronto, May 31.—About all the local wheat is in the hands of one man, who offers it daily at 90c. Ontario wheat is now about as scarce and flour, and Ontario 90 per cent patents can scarcely be secured at \$3.30 per barrel. A good deal of Manitoba wheat is being used. The quotations for oats are firmer. Barley is about off the market, and rye is ateady at 72c. Quotations are:

Wheat—Ontario No. 2 white, 90c asked outside, 88c bid, C. P. R., east, 85c bid on a 5c rate to Toronto, 95c asked in store at Montreal; No. 2 red, 90c outside; No. 2 spring, 85c asked outside, 82c bid, C. P. R., east, No. 2 goose, 81c asked outside; Manitoba, No. 1 northern, 95%c bid on track at Midland.

Barley-No. 2, 53c bid outside; No. 3 Peas-No. 2, 53c b.d outside; No. 3 estra, 52c bid outside. Peas-No. 2, 80c asked outside. 76½c bid. Oats-No. 2 white, 46c asked on Pere Marquette, 46c asked on a 6c rate west of To-

routo. Corn—No. 3 yellow, American, 620 to 62%c, lake and rail, 62%c to 63c, all-rail, Rye-72c.

Flour-Very little on the market; On-tario 90 per cent patents, \$3 30 from sell-ers; Manitoba, first patents, \$4 75; seconda, \$4 15 to \$4 20; bokers, \$4 05, at Toronto. Millfeed—Bran, \$21 to \$22; shorts, \$22 to

Butter—Easy: quality better: creamery prints, 21c to 22c: dairy prints, 19c to 20c.
Cheese—Steady, 13c to 13½c.
Eggs—Steady, 17½c to 18c.
Hogs—Alive, 87 10, fed and watered; prespects favor a decline; dressed hogs.
59 25 to 89 75.

#### DENY TORTURING PRISONERS

St. Petersburg, May 31.-The Lower House of Parliament yesterday declined as unsatisfactory the explanations to be a jolly good fellow by treating his of the frame. made by the Government in the mat- men to light refreshments. 1/2 ter of the tortures inflicted upon prisoners at Riga, and consequently the affair will be submitted to the Emperor.

M. Makaroff, assistant minister of the interior, denied that the police had been guilty of inflicting tortures. He said a preliminary inquiry had showr that in some cases policemer and shore of Lake Michigan, near Cedar Brook, struck prisoners with their fists, but these blows were never severe. A total of 42 policemen had been arraigned on charges. He did not wish to justify their conduct but makes the master of the ill-fated sieamer Arcalizewis, for painting, and putting on the burlap, etc., was accepted at \$80.

This message from the tender of Baldwin & the master of the ill-fated sieamer Arcalizewis, for painting, and putting on the burlap, etc., was accepted at \$80. these blows were never severe. A tify their conduct, but under the existing abominable conditions, the actions of the police might be excused by the cruelty of the revolutionaries. It could not be expected that the police always should remain calm when more than one thousand of their comrades had been killed or wounded in the Bal-

tic provinces alone. The debate on the answer of the Swear They Heard Nothing of Baron Government to the interpellation concerning the mutiny in the prison at Riga, April 13, when seven mutineers were killed and twelve wounded, was then continued. This matter last came up in the House on April 23. The mininflicted on the mutineers, but he ad- during the last fourteen days. mitted they had been beaten with Cossack whips and rubber sticks.

earnest and convincing manner, which Christ Jesus." has won for him the well-merited title of "The Model Evangelist."

of the evangelist's strong, persuasive powers, and of the deep impression made on his audience by the important truths of which he is the faithful and honored messenger.

Anti-Opium Day.

After a short but much appreciated song service, led by Dr. George Lau, Rev. A. J. Bowen, of Egerton Street Church, arose to open the general meeting with prayer, explaining that the 39th of May had been agreed upon by Christians in all sections of the world, as a day for united prayer that afford to carry a sour spirit.' God would influence the leaders of the British Empire to suppress the traffic in opium, the use or abuse of which in this meeting tonight," Dr. Wharton had proved so baleful, especially among asked, "have today been following the matters of psychology, and left early the people of China. Mr. Bowen incl- Master's footsteps in the way of win- in January for Kingston, on the Huddentally noted the fact that over half ning souls?" a million of acres are devoted to the culture of the poppy from which opium is produced. He earnestly prayed that this traffic, with its debasing results, may speedily be suppressed.

Rev. Dr. Wharton then proceeded to the last two verses, he remarked that Christians had many trials that would the preacher said: Some day of might heart tonic), which caused his accimake them lose heart if they did not we will lie down on life's highway, our dental death on the Lord," he said. "Don't hurry Lord. Then we will only have to step the doctor's remains, Thursday evenhim. Bide his time. Everything will in and be carried into the presence of ing. The fact that Dr. Grey was known to have been mentally disturbed led to

Here Dr. George Lau sang very impressively a sacred piece entitled "Redeemed." Rev. Dr. Wharton announced that this would be Dr. Lau's last evening in London for the present.

The Dignity of a Christian. "I wish to talk to you tonight," said ing proper with the benediction.

# The Dignity, Duty and Destiny of the Christian—Rev. Dr. Wharton's Address. Rev. Dr. Wharton, "on what it is to be a Christian," and then he read as his text, Ephesians, v., 1: "Be ye therefore follows of God, as dear children." From this passage the preacher dealt with three propositions the Dignity.

dealt with three propositions, the Dig-nity, the Duty and the Destiny of the Another great audience gathered in Christian. "What are the Christians?" the Jubilee Rink last night to hear the God's children! That surely is dignity Rev. Dr. Wharton, whose discourses are indeed. And if children, then heirsgiven in the simple and gentle, yet heirs of God and joint-heirs with

"To follow God," said Dr. Wharton "is the Christian's duty. But how can Last night, as on other evenings late- finite creatures understand and follow ly, there were many marked indications the Infinte? 'He plants his footsteps in can't do that. But Christ came down to earth in the person of man on purpose that we might understand God. He was 'made flesh and dwelt among us,' and so he says 'he that hath seen

me hath seen the Father also." Dr. Wharton went on to point out some of the footsteps of Christ. Jesus kept away from sin. "Drive your wagon as far away from sin as possible," he said. "Another of Christ's tracks is for-

Destiny of the Christian. "The destiny of the Christian is his Father's home in heaven," said Dr. Kingston to London, when he stopped Wharton in conclusion. Referring to over in Rochester, and the coroner the custom of children lying down and ascertained from an autopsy that the read Psalm xxvii. In commenting on the last two verses, he remarked that the preacher said: "Some day or night his resorting to a dose of veronal (a believe in the Lord. "It pays to 'wait on the Lord,'" he said. Regarding the death of Dr. Grey, the Rochester Democrat-Chronicle says: "Coroner Kellop is undecided as to whether he will hold an inquest into the death of Dr. James Grey, the Lon-WILL NOT FIGHT dad in bed at Jackson Temperance Hotel, on Tuesday night. The coroner is not sure that the man committed suicide. The autopsy performed yesterday afternoon showed that death was due to heart trouble."

#### THE BANK GAVE WAY

Wm. Wilson Gets "Ducking" at Lambeth and Is Rescued.

By Mr. Charles Stevens, a wine clerk at the Hotel Savoy, proving himself a hero, Mr. Wm. Wilson, better known as "Tug," is alive today.

Wednesday the pair went fishing. Wilson, who has been known for twenty years as a stage hand at local theaters, is a man of great bulk. In 1885 Captain Jack Gray, and headed by its would accept no responsibility for the the game of war-bounteous old jade that it is-caused him to grow fat. Since that time he has not lost flesh.

The fishing expedition planned by went to Lambeth, and there they felt the joyous nibbles of the finny tribe, and occasionally a beautiful fish was landed.

Both were sitting on the bank, which appeared to be perfectly solid and J. W. Smith, carriagemaker, present- trustworthy. Wilson weighs 320 pounds,

The bank decided it had had enough and gave way, with the result that the water.

Stevens avers that he observed phenomena in the actions of Wilson in the water, because the latter came up perpendicularly, and sent up water after the manner of certain denizens of the deep which are found in large numbers around the banks of Newfoundland.

Stevens heroically plunged into the stream, and attempted to save Wilson, but the latter warned him to keep from under. The former heroically remainstation, and the tender of Baldwin & by dexterous manipulation he managed ed at his post of duty, however, and After mutual congratulations the

#### "WORLD'S MAIN HIGHWAY"

Hon. Clifford Sifton Comes Out for the "All Red Route."

Ottawa, May 30. - Hon. Clifford Sifton, formerly minister of the definitely forces with Lord Stratchona and a group of British capitalists in could not see its way clear to grant a proposal to connect Great Britain Not Sure That the Bell Company Has and Australia by way of Canada. The "all-red route," it is proposed, shall include twenty-five-knot boats that would cross the Atlantic to Nova telephone inquiry today, Mr. Lafleur, for Scotia in four days, fast trains to the the Bell Company, announced the case Pacific, and a line of eighteen-knot closed, reserving the right to put in evisteamers on the Pacific.
