CONVENTION PROGRAM

Party Stalwarts Make Effort To "Plant" Committees

—Thompson Chairman.

TORONTO, Dec. 1.—At the first Con-
servative convention in Ontario in
sixteen years, which opened here this
afternoon with about 2,500 delegates
registered and with a few hundred
more expected tomorrow, the old-
timers of the party stalwarts were
given plainly to understand that the
business of the convention was going
to be run from the body of the hall,
not from the platform—in short, that
it was a meeting of the rank and file,
not the leaders of the party only. An
intimation to this effect was given
early in the proceedings, when the
nominating of committees was begun.
A prominent conservative on the plat-
form began to read a list of names,
but was stopped by the delegates on
the floor.

Select Chairman.
Practically the only business done
this afternoon was the selection of a
permanent chairman of the convention
and the naming of committees.
The selection of a leader of the party
for the province of Ontario will be
made tomorrow.

Capt. Joseph E. Thompson, M. P. P.
for Northeast Toronto, who had been
temporary chairman at the opening of
the convention, was elected permanent
chairman.

There was no contest for this honor.
Hon. Thomas Crawford, former speaker
of the Legislature, was nominated as
well as Capt. Thompson, but declined
to allow his name to stand. Capt.
Thompson was nominated by Capt.
Thomas Massey, M. P. P. of
Temiskaming, and his election was
made unanimous. J. Earl Lawson was
elected secretary.

A nominating committee was elected
and settled down to work without loss
of time. The committee is comprised
as follows:

Mr. Morrison, West Peterboro; Al-
derman Russell Nesbitt, Toronto; J. R.
MacNichol, Toronto; G. E. Fleming,
K. C. Windsor; J. S. Robinson, Dun-
das; Daniel Quinlan, Barrie; Dr. Car-
line Brown, Toronto; F. D. Hogg, In-
gersoll; W. Thompson, Owen Sound;
W. E. Tummam, T. J. Rigney, King-
ston; Mrs. Winnet, London; Miss
Clayton, Listowel; George Helmer,
Halton; Cameron Currie, Newmarket;
W. C. Carter, South Simcoe; George
Elliot, ex-M.P., North Middlesex;
Frank Reeves, West York; D. A. Mc-
Naughton, Stormont; Miss Nora Whit-
ney, Toronto; F. S. Wiley, Port Ar-
thur; F. H. Thompson, Cochrane; J.
T. Edgewood, Toronto.

Resolutions Committee.
With the naming of the resolutions
committee the convention adjourned
until Thursday morning.

Following is the resolutions com-
mittee: C. Little (chairman), Port
Arthur; O. B. Fleming, K.C. Windsor;
Home, Smith, Toronto; James W.
Bain, Toronto; W. W. Woollett, Essex;

D. Dennis, London; Ald. Russell Nes-
bitt, Toronto; J. T. Simpson, Simcoe;
F. Hogg, London; Dr. Norman
Suttler, W. G. Tummam, Hastings; R.
W. McFarland, T. E. Brand, Peter-
borough; W. C. Miller, Miller, In-
gersoll; W. S. Davis, Halton; Spencer
McCallum, Elgin; F. F. Reeves, West
York; R. G. Hamilton, A. Sinclair,
Oxford; Dr. Kaiser, South Ontario.

The members of the Legislature will
be ex-officio members of the com-
mittees.

Make Brief Speeches.
Between the naming of the personnel
of the nominating committee and this
committee's report upon the resolutions
committee, a number of prominent dele-
gates were called upon to fill in the
time by making brief speeches.

Sir John Willison, going back in the
party's history to the time of Sir John
A. Macdonald, referred to the national
policy as having done infinitely more to
make a nation than all the consti-
tutional changes of which the people
boasted nowadays.

Willison spoke of the selection of Hon.
Arthur Meighen as the premier of Can-
ada as an illustration of the national
idea as the Conservative party, the
temper of the Conservative party, the
which party was the first to bring to
a great office of prime minister to a
statesman whose home is in the
and who expresses in his utterances
the vigorous optimism of the newer
provinces and the confident nationalism
of old Canada.

Paying tribute to Premier Meighen's
abilities, Sir John Willison said
Mr. Meighen's elevation opened a new
chapter in Canadian history, and was
pledge of unity and co-operation be-
tween the industrial and the agricul-
tural communities and was a final
guarantee of the equal authority of the
west in the government of Canada.

W. F. Cockburn, M.P., Brantford, told
the convention that he would prefer to
see a Conservative government in power to
a class government, no matter what
the latter might be.

While he believed in the right of
election would not have been possible with-
out the support of workingmen, he
said, "yet I say it continued, 'that
if they run for Parliament they should
not run as workingmen, but as citizens
of Canada.'"

He said farmers should not run as
members of the U. F. O. but as citi-
zens, he declared, was not true to the
which demanded the
oath of office.

Mr. Cockburn said he was not pre-
pared to put in force more prohibition
than the people of the province were
prepared to back up. Further, Mr.
Cockburn said:

"I believe we have gone too far in
putting restriction on the liquor trade.
I believe it is safer to
put a moderate law on the statute
books, like Sir James Whitney did, and
then to your statute books and me it
through, but do not put a law on the
statute books that is going to be more
or less a dead letter. For that reason
I rather think the vote in British
Columbia the other day was not far
from right. It is only my personal
view. I hold no one responsible for it.
But when you put a law on the statute
books, it is your responsibility. It is wise
to put, fiery persons in the way of
doing it, is a matter for discussion.
The hon. member-general has his work
cut out for him, if the good name of
the province is to be preserved, for
there always been one of the most law-
abiding provinces in the British Em-
pire."

LEWIS TO ARRIVE TOMORROW.

New York, N. Y., Dec. 2.—Ted Lewis,
British welterweight champion, ar-
rived here yesterday morning. Lewis, who

a contest with Jack Britton, world's
welterweight champion, it was said to-
day.

PROVIDED FOR EUROPE

Of 7,250,000 Tons of Bread-

stuffs Promised December 1,

But 100,000 Delivered

Up To October 1.

LONDON, Dec. 1.—Hope that Eu-
rope may obtain any cereals or flax
from Soviet Russia is entirely unfoun-
ded, says a circular from the Russian
liberation committee in London, an
anti-Bolshevik organization.

The circular recalls that, according
to the food commissary's plans, ap-
proximately 7,250,000 tons of breadstuffs
were to be delivered to the Soviet Gov-
ernment by December 1, but owing to
the breakdown of transportation the
Siberian quota of 2,000,000 tons
has been brought with the greatest
difficulty, while the Caucasian esti-
mated output of 1,750,000 tons cannot
be relied upon, owing to the military
operations in that region.

Quoting the Bolsheviks, the circular
states that up to October 1
only 100,000 tons of various cereals had
been delivered, the circular points out
that it will be obviously impossible to
bring in the deficit of 7,150,000 tons by
December 1.

As regards flax, the circular again
quotes Bolshevik figures showing that
the area sown in 1920 had sunk to
one-fifth of the pre-war area, the
present crop was estimated at a mere
55,000 tons, from which the circular
deduces little or nothing will be avail-
able for export.

SKIRTS TO STAY SHORT

—FOR SPRING ANYHOW

Suggestion of More Fullness, However,
Is Approved Style—Individuality
Kept.

CLEVELAND, Dec. 1.—The semi-
annual meeting of the National Cloak,
Suit and Skirt Manufacturers' Associa-
tion here was attended by more than
300 delegates, who discussed the new
fashions for spring, as displayed by
living models at the style show this
afternoon.

No very radical changes are shown
from the lines of fall and winter gar-
ments. Skirts continue short and
straight. The slender silhouette pre-
dominates, and the youthful spirit was
expressed in many garments shown.

"Individuality in the keynote of the
spring apparel," said Philip Frankel,
executive secretary of the association.
A wide choice in suits was dis-
played in straight, boxy jackets and
closer fitting suit coats with ripples
at the sides and coat edges. Tailored
front and back. Eton and bolero
models give new effects with scalloped
and uneven hems and coat edges. Tailored
suits, with and without belts, are cut
severely slender. Skirts are short, with
a suggestion of more fullness, in some
cases with panels, tunics, hem trim-
mings and pleatings.

DIAMOND FLOUR—the secret of good baking

Cured His Rupture

I was badly ruptured while lifting a
junk several years ago. Doctors said
my only hope of cure was an operation
which I refused. Finally I got
hold of something that quickly and
completely cured me. Years have passed
and the rupture has never returned, al-
though I am doing hard work as a car-
penter. There was no operation, no lost
time, no trouble. I have nothing to sell,
but will give full information about how
you may find a complete cure without
operation, if you write to me, Eugene
M. Pullen, Carpenter, 10455 Marcellus
avenue, Jamaica, N. J. Better cut
out this notice and show it to any others
who are ruptured—you may save a life
or at least stop the misery of rupture
and the worry and danger of an opera-
tion.

UNITED MANUFACTURERS ANNOUNCEMENT

121 DUNDAS STREET

Our Open Letter to the People of London and Vicinity:

We are being criticized by our competitors for selling our goods direct to the public without wholesalers', jobbers' or retailers' profits. And we, as manufacturers, will tell you the reason why. We have already told our individual patrons some of the reasons, but we make this announcement that all may know why this remarkable selling at these great reductions. One reason is due to the unusual fine weather of recent months. Then again the cancellation of retail orders for fall and winter goods, and also caused by the pressure of the financial market, which makes demands upon us. This statement is made guaranteed by reputation and integrity of the United Manufacturers. With large stocks on hand, which we must unload, no matter what the sacrifice, that we can meet the liabilities against us, giving to the men and women of London an unprecedented opportunity to secure the finest tailored winter garments ever put on the market at the absolute cost of labor and material. Not a single penny more, is added. There is no juggling of prices, no deception. We are simply obliged to sell to the individual purchaser in order to convert the stocks into cash. This is the story and our only reasons for this unique event in merchandising. It has never happened before, probably never will again.

At this time it affords an unusual opportunity for everybody to buy Ladies' First Quality Furs, Fur Coats, Muffs, Stoles, Fur-Collar Coats, Ladies' and Misses' Coats in big variety, Ladies' Dresses and Skirts; Men's Up-to-Date Clothing, Suits and Overcoats. Waterproof Tweed Raincoats for men, women and children at phenomenal prices; also
