Simcoe, Well Supported, Win Fall Handicap-Only Two Favorites in Front.

HAMILTON, Oct. 8.—Only two favorites won to-day, outsiders taking the third, sixth and seventh races. The main event for the day was the Fall Handicap for all ages at six furlongs. It was won by Seagram's Simcoe, being well backed, opening at 8 to 5, and closed at 4 to 5. Gretna Green was a good second, closing with a great rush at the finish. The winner equaled the track record of 1.12 1-5. The Dominion selking purse at 1 1-4 miles was taken by The Earl, the second choice in the betting. Woolstone, the favorite, being played heavily at post time to win, ran a poor race, had no speed at any part of the journey. Sinfran, at ten to one, led all the way in the third race at seven furlongs. The winner showed a great form reversal. In his previous starts he had showed no speed, but to-day he made every post a winning one. The favorite, Geo. W. Lebolt, well backed, ran outside the money. William Pitt, from the Valley Farm stable repeated his good win of the second day, by taking the sixth race, for two-year-olds. He closed at 12 to 1 in the betting. Bob Co, the favorite, was crowded out on the top turn and Burns, forced to pull up, could never get up after the mishap. Bifall, with Davenport up, took the last race at 1-16 miles on the turf from the well backed favorite, Riffeman. The winner in his last start on Tuesday, with Jockey Ross up, could not get up a respectable gallop, and was beaten off ner in his tast start of the day, with Jockey Ross up, could not get up a respectable gallop, and was beaten off badly at the end, but to-day, with Davenport in the saddle, Elfall was very much in the race, being well up all the way to the stretch, where he came sailing home with a great rush, three lengths in front of Rifleman for some one, and the ax will likely fall on Mr. Ross. Jockey Musgrave had three wins, riding The Earl, Sinfran and Sincoe.

"FULL OF QUALITY" NOBLEMEN CIGARS

ARE YOU INFLUENCED BY FACTS?

About the only reason why a judge of fine cigars does not smoke "Noblemen" is because he won't let his judgment overcome his pride or prejudice.

"Noblemen" Cigars equal any "imported" brands at double the price. "Noblemen" Cigars are far superior to any other cigars made in Canada at the price. "Noblemen" Cigars have the delightful flavor-

the richness and aroma—the size and full weight—of the finest of imported cigars.

You have but to try a "Noblemen" to prove this. Are you open to conviction and influenced by facts? Then buy a "Noblemen."

"Noblemen" size, two for a quarter. 'Panetela" size, 10c straight. "Concha Fina" size, three for 25c.
