ORANGEMEN REQUEST GOVERNMENT TO ACT

Western District Lodge Desires That Militia Act Be Enforced.

At the last quarterly meeting of the Western District L.O.L. the following resolution was brought before the meeting, moved by Lieut-Col. Wm. F. H. Brown, P.D.M. and seconded by Wor. J. Jordan, P.D.M. and resolved. "That it is the unanimous opinion and wish of the thousands of Orangemen in the district that the Militia Act be put into force in Canada, without delay. Further, that owing to the opposition in Quebec by the leading politicians and clergy, we deem it advisable to place the matter of enlistment before the government and demand that Quebec do its duty and take a fair share of the empire's burden in the present war.
We cannot understand why FrenchCanadians should refuse or neglect to
help the country from whence they
sprang in the hour of their trials, who uage and religion, and expect the thousands of orangemen who are now fighting for them in France." "That a copy of this resolution be sent to the press with a request that they publish the same.. Also that a copy of this resolution be sent to the Government of Canada for their consideration and judgment."

RED FEZZED MEN **INVADE TORONTO**

No Relation to Unspeakable Turk and Are Boosters of Allies.

ATTEND CONVENTION

About Ten Thousand Will Pass Thru City on Way to Buffalo.

Toronto will be invaded next week by an army of red fezzed, gaily uniformed men from all over the continent, but it should not be thought because of their strarge attire and bright colored headgear that they are any relation to the unspeakable Turk. The invasion of the men with the sultan's favorite style of millinery will be a peaceful one and the wearers will be United States residents, every one "pulling" for the allied cause, and all members of the Mystic Shrine. They wear the red fez because it is the part of the insignia of the order adopted at the last meeting of the Shrine, held in Toronto back in 1888.

of the Shrine, held in Toronto back in 1888.

It is expected that the invaders will number between \$000 and 10,000, and they will be here, coming and going to the convention at Buffalo on July 11, 12 and 13. The great rush will be on Friday, July 14, when, among others, there will be \$600 representatives of Lulu Temple, Philadelphia, one of the largest and most prominent on the continent.

The mcmbers will come ucross by boat under the leadership of their potentate Freeland Kendrick, and will return or their own special train, which will come around from Buffalo to take them home With the Lulu Temple will be large bodies from New York and Boston, and a number of western and southern contingents, and all will be led by Lulu'band of 100 pieces, a parade to the city hall, where an official welcome will be given.

hall, where an official welcome will be given.

Some time ago the members of Rameses Temple, the Toronto Shrine, in an effort to offset the silly report in general circulation thruout the United States to the effect that a passport is required to enter Canada and that people coming here are liable to be forced into military service, decided that the presence of such a representative convention at Buffalo would be a splendid way to dispoil such belief.
