Public Appreciation of the Simpson Dressmaking Course

Following is the text of an engraved address presented by upwards of 1000 Toronto women in appreciation of the dress-making opportunity recently extended.

To The Robert Simpson Company, Limited:

The Ladies who have taken the Course of Dressmaking given by Mrs. Blackburn wish to tender to the Management their sincere thanks and appreciation, and promise their patronage to every branch of the business.

The instruction, so ably given by Mrs. Blackburn, will be beneficial to every member of the different classes, and it is felt that the Management should be sincerely thanked for the kindly interest shown, and for the pleasure and comfort which have been enjoyed by the ladies during the course.

It is hoped that in the near future the Company will give the Ladies another opportunity of receiving similar instruction, for it is the fulfilment of a long-felt want, and your company has been the first, in the City of Toronto, to supply this need.

On behalf of the Classes,

JULIA A. DEVINE.

Toronto, Ont., March 21st, 1920.

"They're Worn in 'Lunnon'."

Distinctive, Comfortable Brogue Footwear, Popular Overseas, is Making a Hit in Toronto

The Brogue conveys in men's footwear the same pleasing sense of distinction as a bit of Hibernian brogue in men's conversation. It is a difference that is prized.

The Brogue shoe that we are offering, not alone represents a style quality to be appreciated, but a stout wearing quality as well. Double soles, perforated double vamps, firm brown calfskin uppers, the genuine Scotch brogue last.

These shoes add an old country flavor to a man's attire. They are wearing them in "Lunnon." Sizes 5 1/2 to 10. Priced at .14.00
