TWENTY-SIXTH YEAR

OF CELEBRATION OF PEACE BUILDING OF WARSHIPS

Japan's Best Course to Prevent Cessation of Hostilities Developing Into a Mere Truce.

Paris, March 26.—It was stated in diplomatic quarters here today that among the conditions of the peace which Japan might ask would be that Russia give a pledge to build no more warships for a term of years. A diplomatic official said that such a condition would be the most effective means of assuring Japan against Russia's carrying out her cherished project of naval rearmament for the renewal of hostilities under better conditions than those at present existing.

\$325,000,000 IN RUSS GOLD SIGHT OF IT "DEPRESSING"

London, March 27.—The correspondent at St. Petersburg of The Daily Mail reports that he accepted the invitation of Finance Minister Kokovtsov to inspect the reserves of gold in the state bank and describes his visit to that institution. He says:

JAPS TO TAKE PENAL COLONY.

Korsakov's heterogeneous population is expected to be evacuated from Sakhalin and telegraphed from Kharkov, the Japanese were expected to land at Korsakovsk within a fortnight, the port being free of ice early in April. The Russians are not in a position to resist, the whole force on the island being less than 2000 men and 1000 women and children, the remainder of the population consisting of 2000 natives and 6000 time-expired convicts, with women and children, who were settled in the island. It is expected that the convicts may be landed on the mainland in the vicinity of Vladivostok by the Japanese is being considered.

POLICE CHIEF OF WARSAW LURED BY BOMB THROWERS

One Outrage to Permit of Attack on Him—Pursuing Policeman Later Found Dead.

Warsaw, March 26.—A bomb was thrown into the carriage of Baron Von Nolken, chief of police of Warsaw, at 8 o'clock to-night. He will recover. The attack on Baron Von Nolken was the result of an elaborate conspiracy of the revolutionary party. Shortly before 8 o'clock an elegantly dressed man went to the police station at Praga, a large suburb of Warsaw, on the other side of the Vistula, and drew a bomb from the room of the station where the men assembled before going on duty. Six policemen were wounded and the furniture, as well as one wall, was damaged. The bomb thrower in trying to escape met a policeman and shot twice, wounding the officer in the right arm. The prisoner himself was wounded and has been placed in the hospital.

RECEIVED FULL CHARGE.

Baron Von Nolken, who was sitting on the sidewalk near the station, received the full charge of the bomb, while his companion escaped unhurt. The coachman was thrown from the box, the carriage was smashed, Baron Von Nolken was removed to the city hall and the man was arrested. The man who had received injuries on the head, neck, arm and leg which are believed to be serious.

PARISIAN RAIN HEARD BY HALIFAX HARBOR

Halifax, N.S., March 26.—(Special.)—One of the narrowest escapes from an accident which might have horrified the world took place in this harbor this evening when two ocean steamers, the Parisian, the Allan Line, and the Hamburg-American Line, with almost 300, crashed together about five miles from their pier. Both vessels made the pier all right, but at present the Parisian is down as low in the water as it is possible for her to get. LAST TRIP AS MAIL BOAT

"Parisian" Considered Lucky—In Service for 25 Years and Was to Have New Run.

Henry C. Bourlier, local agent of the Allan Line, stated last night that the only notification of the accident to the Parisian that he had received was from General Manager George Hamrah at Montreal. The Parisian arrived at 5:30 Saturday evening, landed passengers, 21 first, 281 second and 414 third-class; all well. Parisian was injured in a collision off Halifax harbor. Will advise you later concerning time required for repairs.

STATE BINDER TWINE FACTORY

Nebraska Appropriates \$250,000 to Go Into the Business. Lincoln, Neb., March 26.—Following the lead of Kansas in its fight against the Standard Oil Company, Nebraska will fight the binder twine and cordage trust, and to that end the state legislature Friday appropriated \$250,000 with which to build and equip a factory for the manufacture of binder twine. The plant will be constructed at Lincoln within the walls of the state prison and the company which will be formed to do all the work. The finished article, which is used in binding grain, will be sold at cost to farmers of Nebraska. Should the experiment prove a success, the markets of adjoining states will be invaded in time. Work is expected to begin immediately, and if possible, the output will be ready for use in harvesting this coming autumn. Nebraska, Iowa, Kansas and the Dakotas use thousands of tons of cordage yearly, and the exactions of the trust have been increasing from year to year, ladies say.

LADES GREY RIDE ON FIRE TRUCK

Enjoyed Full Gallop Run With Hull Fire Department. Ottawa, March 26.—(Special.)—Their excellencies the Governor-General and Countess of Grey visited the fire department's fire truck on Saturday afternoon on a trial run of the department. The daughters of their excellencies, Miss Evelyn and Lady Sgill Grey, expressed a desire to make a trip on the big ladder truck, and were accordingly given the opportunity to do so. They rode on a fire call clip, greatly to the enjoyment, altho the streets are in anything but a smooth condition.
