

DENTISTRY.

A. BURNS, DENTIST,

OFFICE—TALBOT STREET,
In LINDOP'S BLOCK, Opposite the Market,
ST. THOMAS, C. W.

Teeth inserted on either Gold, Silver or Rubber, at GREATLY
REDUCED PRICES.

Particular attention given to teeth affected with decay. A. B. has devoted much of his attention to this part of the business, as he considers the filling of decayed teeth, when done properly, one of the most difficult branches of operative dentistry. No work allowed to leave the office without giving entire satisfaction. All work warranted. From his long connection with the business, A. B. has the utmost confidence in commending his services to an appreciative public.
