president, Miss Edith MacMahon, sectent, and Miss Edith MacMahon, sectetary-treasurer.

On Friday, March 3, in the Beaver Theatre. West Toronto, the club is giving an elaborate production of the Greek comedy, "Pygmalion and Galatea," with classical and interpretive dances, directed by Miss Josephine Hodgson. The cast is composed of persons of considerable dramatic training and ability, and great care is being given to the stage settings, light effects, costumes, etc. A distinctly novel idea is being carried out by using young ladies as statues in the decoration of the studio scene.

In addition to the play. Mr. Broadus Farmer, the noted violinist, will give a violin solo, in three parts, and will also assist in the accompaniment for the dancing. Mrs. Edith Parker-Liddle, vocal star, also of the Hambourg Conservatory of Music, will sing. Mrs. Parker-Liddle possesses a beautiful mezzo-soprano voice. Miss Blanche Thomas, A.T.J.C.M., will act as accompanient.

The total proceeds of the evening's entertainment will be remitted direct to the hospital.

OTTAWA, Feb. 26.-On Saturday evening, Feb. 19, the Premier of Aus tralia, Hon. W. H. Hughes, and Mrs. Hughes were the honored guests of a dinner given by Their Royal Highnesses the Duke and Duchess of Connaught at Government House, with a large reception immediately following. In the Government House party were, besides the vice-regal household staff. Lord and Lady Shaughnessy, Sir Melbourne and Lady Tait and Miss Tait, who had come to spend the week-end at Government House. The guests were received by H. R.H. the Duchess, who was handsomely attired in old blue tuile, with overdress of diamente sequins. H.R.H. the Princess Patricia wore old rose brocade and Mrs. Hughes was in black velvet with old lace trimmings. Dinner was served at small tables and daffodils were plentifully arranged thereon. An orchestra concealed among the palms and ferns played during dinner. During the course of the dinner H.R.H. the Governor-General proposed the health of Premier Hughes, who made a most pracious response. Among those present at the dinner were the Premier of the Dominion and Lady Borden, all the cabinet ministers with their wives and a number of senators and members of parliament, besides several of Ottawa's most prominent citizens. The reception afterwards included a very large number of visitors to the capital, as well as many Ottawans.

After a quiet reception at the residence of the bride's parents, Mr. and Mrs. Johnston left for a few weeks' stay in Toronto and Hamilton. The talking machine is a vastly, different proposition today than it was a few years ago, and perhaps nothing outside of the automobile has been perfected to such a fine degree. Today the Columbia. Graphophone is presented to the lovers of music as the ideal music for the home, embodying as it does every form of instrumental and vocal entertainment.

It is astounding to the unitiated to know that thousands of various records are constantly in demand by the public. Naturally service to the owner.

Why Eyesight Fails

Poor sight and bad teeth are due to the same cause—neglect. We neglect our teeth and they decay; we neglect our eyes and our sight grows dim. Most people know how to preserve their teeth, but few know what to do for their eyes. Some who carefully clean their teeth do nothing to help their eyes carry the awful strain put upon them by modern life.
