## Saving Money on Fine Shoes.

A woman can get pretty shoes—comfortable shoes  
—splendid wearing shoes—and NOT pay \$6. or \$7.  
for them, either.

Lots of women, who know shoe values, have found  
that the difference between these high priced shoes and  
"Royal Purple" is not worth the extra cost.

The models are the newest, smartest of the season—  
in all the popular leathers.

At least, ask your shoeman  
to SHOW you "Royal Purple"  
Shoes. It is easy enough to  
tell, then, whether you want  
to pay \$6 or \$7 for your next  
pair of shoes.

**E. W. PATTERSON,**  
29 CITY ROAD. 29 CITY ROAD.

With the cool evenings, indicating the  
approach of autumn, comes a stir in so-  
cial circles at the many summer resorts  
and, as the days go on, and twilight sha-  
dows creep on early after the evening  
meal, one's thoughts are turned again to  
associations surrounding the events of a  
year ago, and once more preparations are  
made for the delightful functions that lead  
up to the close of the season of re-  
creation.

Reminiscences of the closing summer  
have their influence and leave their im-  
pression upon the minds of all. The summer  
girl is oftentimes disappointed as she re-  
calls events that have transpired since  
early June, or perhaps regrets that the  
season is all too short. The more so-  
ciable, like the housewife, turns her at-  
tention to the future and plans for the re-  
opening and preparation of the city home  
to meet the social obligations of the win-  
ter months.

But now, perhaps, more than at any  
other time of the year, out-of-door re-  
creations are attractive to old and young  
alike. The cool, bracing breezes are de-  
lightful for sailing, while canoeing or  
camping along the river and its tribu-  
taries is particularly fascinating and the  
bright, sunny mornings possess particular  
charm that lingers through the long win-  
ter days.

The auto is more than ever popular  
this year, while golf and tennis have  
lost none of their interest.

Then, again, there is the constant re-  
minder that the coming exhibition will  
bring very many suburbanites to town a  
trifle earlier than at city homes and busi-  
ness men must be put in readiness for the ac-  
commodation of visitors—country cousins  
perhaps—and this will, of course, have  
its part to play in the hurry and bustle  
attending what will doubtless be the event  
of the season.

A very delightful tea was given at the  
tennis club yesterday afternoon by Mrs.  
Angus, Miss McAvity and Miss Stone.

Miss Holden, daughter of the late Dr.  
Charles Holden, leaves next week for  
Canning, N. S. where she will be married to  
J. J. Fraser Winslow, of Fredericton.

Miss Creelman, of Moncton, is a  
guest of Mrs. (Dr.) Inches at her sum-  
mer cottage, Westfield.

Miss Inches, daughter of Dr. P. R.  
Inches, who has been at the hotel, Germain street,  
on Tuesday last in honor of her guest,  
Miss Creelman, of Montreal.

The weekly tea given at the Golf Club  
yesterday afternoon was quite largely at-  
tended and proved a most delightful af-  
fair. The ladies in charge were Mrs.  
(Dr.) J. V. Anglin, Mrs. Herbert Scho-  
field and Miss McGivern.

An automobile party composed of Mrs.  
Wm. Pugsley, Mrs. R. Kellie Jones, Guy  
Merritt and Jack Pugsley left Wednesday  
by the Prince Rupert for Digby thence  
to make a tour of Nova Scotia. Mr. Pugs-  
ley took his big Russell car along and  
will proceed to Halifax, returning to St.  
John via Amherst and Moncton on Tues-  
day next.

A jolly camping party of about eight  
young people, the guests of Miss Nina  
Robertson, with Mrs. John Wadsworth,  
of Ayer, Mass., as chaperon, spent last  
week on Kennebecasis Island. The days  
passed all too quickly and when the  
merry-makers left for their respective  
homes, all agreed that they had had the  
time of their lives.

Mrs. John E. Irvine and Miss May Ir-  
vine leave this evening for their new  
home in Calgary.

Miss Beattie Burton and Miss Josephine  
Hibbert leave next week for a short visit  
to their homes in St. Andrews.

Mrs. McLean, wife of Rev. L. A. Mc-  
Lean, and her little daughter, are back  
from Picton, N. S.

Mrs. E. A. Smith left for Sussex by  
yesterday evening's train.

A trip to Boston in "autos" is planned  
by some members of the New Brunswick  
Automobile Association, and the date fixed  
for the start, which will be from this  
city, is Saturday, Sept. 1. There will  
be four cars—one from St. John and two  
from St. Stephen.

The "autos" from here are J. Royden  
Thompson, of Quebec, and Percy W. Thom-  
son's "Rambler." With J. R. Thompson  
will be A. L. Fowler and K. J. Macrae.  
The machines from St. Stephen are J. E.  
Gannon's "Marmon" and a loomobile.

From this city Messrs. Thompson will  
speed to the border town, where they  
will be met by the St. Stephen party  
and all will leave immediately for the  
"Hub," going by way of Bangor, Augus-  
ta and Portland. It is expected that the  
party will be reached by Tuesday. The  
party expect to be away about ten days.

George E. L. Wetmore came to the city  
yesterday from Gagetown and is the guest  
of J. D. Hazen, M. P. P.

Miss Catherine Ogilvie, of Boston, is  
visiting Miss K. Deery.

Mark Gallert, president of the Gold  
King Consolidated Mines Company, is in  
the city for a few days and is guest of  
the Royal. He is accompanied by his  
wife and daughter.

Mr. and Mrs. E. R. Taylor and family  
left yesterday to spend a week at Lake  
Utopia.

Rev. J. M. McConnell, of Fredericton,  
who has been spending his vacation in  
Parishboro arrived in the city yesterday,  
and will return to the capital today.

T. A. Peters, deputy commissioner of  
agriculture, passed through the city yester-  
day en route east.

W. E. Smith, of Fredericton, was a  
passenger to the city on the Boston ex-  
press last night. He is at the Royal.

Mrs. H. M. Campbell and two children,  
of Apolauqui, are at the Royal.

Rev. G. E. Whittemore and Mrs. White-  
house, of Moncton, were registered at the  
Royal last night.

Mrs. Baxter, wife of Dr. Baxter, of  
Thessalon (Ont.), is visiting her brother,  
Robt. Jardine, 9 Elliott Row.
