The Germans and the Turkish government, Dr. Andrus said, looked upon the destruction of the Armenians in Turkey as a cold blooded political move, and gave the actual execution of it into the bands of the Kurds and Turkish A. PRESSURE RESUMED

AT MARKET OPENING

New York, Oct. 9.—Wall street—Pressure against speculative stocks was resumed at the outset of today's trading. Tobacco issues again displayed the greatest heaviness, United Cigars yielding three points, though Tobacco Products steadled on recommendation of an official dividend of \$1.50. Metals and several active equipments also lost material fractions of almost two points. Distillers fell two and Industrial Alcohol two and a half. U. S. Steel rallied promptly from its slight setback, but ralls and utilities indicated renewed heaviness, Delaware and Hudson risaling a noint and Baltimore and Ohle 144.

78% To the electors of the Parish of Lan-

caster,
Ladies and Gentlemen:
Considering that it is not in the best interests of our parish to allow the present councillors to be re-elected by acclamation I have decided, after many solicitations from electors representing the different sections of the parish, to offer myself as a candidate for the coming contest

coming contest.

Holding interests both as a business man and property holder, the same should be sufficient evidence to the electors to warrant the very best that is in me, regarding the welfare, prosperity and administration of the parish, and should I have the honor to represent you after the 16th, I make one promise and that is fair consideration to all sec-

As to the present councillors person-ally I have nothing against them, but the administration is unquestionably running in a well worn rut and our inancial condition is very bad.

In such a short campaign it will be impossible to see all the electors personally and I thank those who will see sonally and I thank those who will see their way clear to render me their support before and at the polls.

Thanking you in anticipation of such support, I remain in the best interests of the electors.

Yours faithfully,
