FIFTIETH ANNIVERSARY OF CAPTURE OF FORT GARRY.

Winnipeg, Man., Aug. 18.—Winnipeg will celebrate the fiftieth anniversary of the capture of Fort Garry on August 24, with a banquet for the survivors in this district of the Red River expedition, who live in and around Winnipeg. The banquet will be held under the auspices of the Army and Navy Veterans.

It was just fifty years ago that the expedition under Lord Wolseley, then General Wolseley, came up from Fort William over the Dawson route to wrest Fort Garry from the French and half-breeds, holding the post during Reilly's rebellion. It took the expedition three months to make the trip and a sharp battle to take the post. Many survivors of the expedition are still alive and probably fifty of them are in this province.

JOHN D. WINS AGAIN.

Atlantic City, N. J., Aug. 19.—John D. Rockefeller is boosting his meager income in two ways. Two weeks ago a Standard Oil barge founded just off shore, but was insured. Now the bathers find their feet covered with oil, and sand that nothing except gasoline will remove. Hence a demand at the drug stores for one of the principal Rockefeller side lines.

Winter Furs at Summer Prices
PERSONAL comfort is an important consideration with everybody. When Winter winds begin to blow, one naturally thinks of the cozy comfort of nice, warm furs. But how much more practical and economical it is to think of Winter comforts while still enjoying the warmth of Summer.

Our August Fur Sale
offers many opportunities for the exercise of this practical policy.
Pre-season selling helps to reduce the costly overhead of idle sales periods in Summer. This saving is passed along to our customers in lower prices that will be out of the question this coming Winter.
That is putting the facts plainly—but why shouldn't you know the truth? Those who fail to buy furs now are sure to pay more for them next Winter, for higher prices on furs are inevitable.
Practical economy should prompt you to anticipate your Winter needs and buy furs at Summer prices.

NOTED AUTHORITY ON PUBLIC HEALTH ON A VISIT TO CANADA

New York, Aug. 18.—(Canadian Press) Sir Wm. Smith, head of the Royal Institute of Public Health of England, and Lady Smith, arrived in New York yesterday on their way to Canada. They will visit several cities of the Dominion. Sir William is one of the world's greatest authorities on public health and a prominent member of the English medical profession.

A DANGEROUS WARNING — BLEEDING GUMS

Are your gums tender? Do they bleed when brushed? If so—watch out for Pyorrhea.

This disease of the gums, which affects four out of five people over forty, not only destroys the teeth, but often wrecks the health.
In Pyorrhea, the gums become spongy, then recede; the teeth decay, loosen, and fall out—or must be extracted to rid the system of the infecting Pyorrhea germs, which breed in pockets about them. These germs lower the body's vitality and cause many diseases.
You can keep Pyorrhea away. Visit your dentist often for tooth and gum inspection, and use Forhan's For the Gums.
Forhan's For the Gums prevents Pyorrhea. It checks its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums firm and healthy—the teeth white and clean.
Start using it today. If your gums have receded, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U.S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.
