Elected Prince of Cough Cures

BUCKLEY'S WHITE BRONCHI-
TIS MIXTURE has been unanimously
declared by all victims of bronchitis,
coughs, colds, hoarseness and bronchial
asthma as the world's greatest remedy
for any of the above ailments. Doctors
stand amazed at its wonderful healing
power. Long standing cases of 20 and
30 years of coughing have been cured
by this great mixture. Not a syrup but
a scientific mixture, discovered after
medical science had failed, by a Chemist
who had labored night and day to com-
pound a mixture that would give his
only daughter some relief, as bronchitis
was choking her to death. It not only
relieved her but produced an everlasting
cure. Are you a victim of any of the
above ailments? If so, get a bottle to-
day, use it for five days, and if it does
not prove to be the greatest of all
remedies, take the bottle back and get
your money. Is this fair? Can one do
more than this to prove what a mar-
velous medicine it is? Price 60 cents.
Sold by all live dealers. Take no sub-
stitute, and fear the man who dares to
say he has one just as good. Mailed for
75 cents.

ronto. Direct Import Co., 1 Union St.

DEPARTURE DELAYED.

Yarmouth, N. S., Jan. 25.-Owing
to the heavy storm in the Bay of Fundy
last night, the steamer Northland did not
sail for Boston until 1 o'clock this after-
noon. The steamer, with a full cargo
of freight and one hundred passengers,
was ready to sail before midnight on
Saturday, but the captain received or-
ders from Boston to hold the ship in
port until the storm abated.

Visiting Clergymen.

Visiting clergymen were heard in some
of the city churches yesterday and many
of the Methodist ministers exchanged
pulpits for the morning services. Rev.
William Amos, of St. Andrews, con-
ducted the service in the Tabernacle Baptist
church and Rev. E. McLatchey, of
Moncton, occupied the pulpit of the
Central Baptist church for both services.
Among the Methodist ministers who ex-
changed pulpits for the morning service,
was Rev. George Morris, of Queen Square
church, who preached in Exmouth street
church, the minister of which, Rev. George
Dawson, occupied the pulpit of Queen
Square church. Rev. Neil MacLaughlin,
of the Portland street church and Rev. J.
Heaney, of the Carleton church, also
made an exchange for the morning ser-
vice. Some of the Methodist ministers
did not make the monthly exchange, pre-
ferring to preach in their own churches.

HAD ECZEMA For Over 28 Years

Eczeema or Salt Rheum manifests it-
self in little round blisters, which con-
tain an extremely irritating fluid. These
break and subsequently a crust is
formed, and the intense burning, itching
and smarting, especially at night, when
the part is exposed to any strong
heat is almost unbearable.

The success which Burdock Blood
Bitters has met with in skin diseases of
such severity is due to its wonderful
blood cleansing and purifying properties,
and we know of no other remedy that
has done or can do so much for those
who are almost driven to distraction
with the terrible torture.

Mr. James Walker, 182 Niagara St.,
Hamilton, Ont., writes: "I have been
using Burdock Blood Bitters for some
months past, and find it an excellent
remedy for skin eruptions. I have suf-
fered with eczeema for over 28 years, and
have tried almost everything you could
think of. I was recommended to use
Burdock Blood Bitters, and I am now
a good remedy and I shall recommend
it to my friends."

Manufactured for over 40 years by
The T. Milburn Co., Limited, Toronto,

as the forward movement was being
specially dealt with in all the churches.
The Methodist evangelist, Rev. James
Dixon, preached in Zion church in the
morning and addressed the Sunday school
of Queen Square church in the afternoon.
In the evening he spoke to a mass meet-
ing at Centenary church.

Sunken Eyes Brighten Quickly Health Returns

In a Message to Ailing Women Doctor
Hamilton Tells How It Is Done.

In speaking of the ills from which
women suffer, Dr. Hamilton points out
that nine out of every ten women are
by nature inclined to habitual constipa-
tion. Harsh purgatives are resorted to,
which only intensify the trouble. Al-
though not generally known, it is a con-
stant condition of the bowels that
causes half the sickness and tired wear-
iness with which all women are so
familiar. It was after long years of
study that Dr. Hamilton perfected the
pills which have been of such marvellous
benefit to women the world over. In his
pills of Mandrake and Butternut every
sufferer will find an absolute specific for
constipation, sick headache and bilious-
ness. It is safe to say that Dr. Hamil-
ton's Pills bring better health and keep
the system in a more vigorous condition
than any other medicine ever discovered.

SOME WAR TIME PROMISES THAT MUST BE KEPT

Halifax Appeal for Employ- ment for Two Hundred Re- turned Soldiers.

At the Commercial Club meeting on
last Friday evening Mr. Glimmer made
an appeal in behalf of some two to
three hundred soldiers in need of work.
A similar appeal is made in Halifax.
Under the heading "War-time prom-
ises that must be kept," the Echo says:
"Halifax is faced with the problem of
employing 200 men by the middle of the
coming month. Every one of these men
has been at some time or other a mem-
ber of various overseas units and has
taken part in the battles which have
made possible our present united em-
pire."

Perhaps this may appeal to the em-
ployer as something unnecessary and
superfluous; but it is merely a reminder
that we have to live up to our promises
made in those red days when war was
the chief topic of conversation and the
Hun was truly at our gate.

The men themselves have made no
claim. They have not asked for any
special consideration. They are simply
men who have returned to civilian
life on an even footing with those who
remained at home and awaited their
return. They are merely that they shall
be given a trial as civilians—a trial
period in which to show that they are
willing and ready to enter the ranks
of the employed.

Approximately two hundred men are
in this city today awaiting a chance
to work. They are being assisted by
a government fund while they await
employment. Since March 1918 nearly
ninety per cent. have shown that they
are reliable, steady, industrious and wil-
ling to fill their positions in a satis-
factory manner. Less than one per cent.
of them have proven unsatisfactory to
a degree demanding their being re-
turned to the ranks of the unemployed.

The men who remain unemployed are
in need of work. They have in many
cases dependents who have been anx-
iously awaiting the period when they were
able to resume work and once more as-
sume the role of bread-winner.

Among the two hundred seeking em-
ployment are those fitted for clerical
positions, salesmen, bookkeepers, labor-
ers, chauffeurs, motor-mechanics, jun-
iors, clerks, teamsters, waiters, caretakers,
janitors, and general laborers.

Nothing has been said to many em-
ployers of labor about the claim of the
returned men on their consideration.
In Calgary a campaign was launched
to obtain positions for every overseas
boy seeking such aid, with the result
that in less than three weeks every man
who really took advantage of his oppor-
tunity was at work.

REWARDS OFFERED.

Dublin, Jan. 25.-A proclamation post-
ed in Dublin today contains an offer by
the Lord Lieutenant of a reward of £100
for information within three months
leading to the conviction of any persons
guilty of the murder of fourteen police
officers, whose names are given. The
last name of Detective Sergeant Smith
of Dublin, assassinated last July
and ends with those of Deputy Com-
missioner Redmond, murdered in Dublin,
last week, and Constable Finnegan, killed
at Thurles.

WILSON CAN EAT ANYTHING, NOW

Ten Years' Trouble Ended and He Feels Fine Now — Praises Tanlac.

"Do you know, sometimes I can hardly
believe I am the same person I was be-
fore I started taking Tanlac, as for the
first time in ten years I can eat a hearty
meal without being in misery afterward,"
said Harry Wilson, Sunny Brae, a suburb
of Moncton, N. B., recently. Continuing,
Mr. Wilson said:

"All these years I think I suffered
about as bad as anybody ever did from
indigestion, and if I ever ate a single
thing and didn't suffer from it after-
ward I don't know when it was. I had
no appetite to speak of, and at times the
very sight of anything to eat would make
me sick. After every meal I had a heavy
feeling in my stomach, just as though
there was a lump of lead inside of me.
I bloated up terribly with gas sometimes
and could get but little sleep, as I would
just lie awake for hours after hour hard-
ly able to get my breath."

"I had been reading so much in the
newspapers about the good Tanlac was
doing others who said they had been suf-
fering just like I was I decided to try it
myself. Well, sir, to my surprise, for I
had taken so many medicines without
getting any benefit, I had just about lost
faith in all of them, I began to get better
almost at once after I started taking Tan-
lac. My appetite commenced to improve
and today I can eat anything I want with-
out a sign of indigestion. I am never
troubled with gas, bloating or shortness
of breath, or any other bad after effects.
I am a great deal stronger and have gained
several pounds in weight; in fact, I
am in the best of health in every way.
I hope this statement will encourage some
one else who is suffering from indigestion
after ten years of suffering with it. I
know how bad it is, and I also know that
Tanalac will stop it."

Tanalac is sold in St. John by Ross
Drug Company and F. W. Munro under
the personal direction of a special Tan-
lac representative. (Adv.)

MILITARY FIRE ON CROWDS OF BOMBAY STRIKERS

Bombay, India, Jan. 20.-Disquieting
news from the mill area in the Bombay
presidency where 200,000 cotton workers
went on strike early this month, reports
the firing by the military on a crowd of
strikers, causing casualties, including one
killed.

During the morning, the advances say,
the crowds in the district began holding
up street cars and other vehicles and
compelling the passengers to alight.
Later the strikes became more riotous
and the military was called in. It is
declared, were compelled to fire. It
is said that one person was killed and
some wounded.

MRS. MAY COULD NOT WORK

Made Well and Strong by
Lydia E. Pinkham's Veg-
etable Compound.

Columbia, Pa.—"I was very weak
and run down and had dragging-down
pains and pains in
my back. I could
not get around to do
my work and had to
sit down and rest
often during the day.
I saw Lydia E. Pink-
ham's Vegetable Com-
pound advertised in the papers
and read the testi-
monials, so I thought
I would try it. Now
I am healthier than I
ever was in my life, and can recommend
it to any woman who suffers as I did."
—Mrs. ELIZABETH MAY, R.F.D. No. 1,
Columbia, Pa.

The reason Lydia E. Pinkham's Veg-
etable Compound does so much for over-
coming woman's ills is because it con-
tains the tonic, strengthening properties
of good old fashioned roots and herbs,
which act on the female organism. Women
from all parts of the country are
continually testifying to its strength-
ening, curative influences, and the letters
which we are constantly publishing from
women in every section of this country
prove beyond question the merit of this
famous root and herb medicine.

LOCAL NEWS

Some rubbish in the basement of the
armory caught fire on Saturday evening
but the blaze was put out quickly.

The wooden building at 79 Bridge
street, owned by D. J. Purdy, was badly
damaged by fire last evening. It was
occupied by James Lannoy, J. J. Tait,
Roy Neves and A. McGrath and these
suffered much loss.

A successful rummage sale was held
in Temple Hall on Saturday by the ways
and means committee of the main street
Baptist church. Those in charge in-
cluded Mrs. J. Patterson, Miss Ida
Thorne, Mrs. Harry Estabrooks, Miss
McAlary and Mrs. Joseph MacAlary.

A pleasant musicale was conducted
on Saturday afternoon at the home of
Miss Beryl Blanche when twelve of her
little pupils were heard in renderings
from memory. They gave pieces which
were much enjoyed. Refreshments added
to the pleasant nature of the event.

Two large pictures of Evangelist
Dixon have been removed from the head
of King street and the police are looking
for the parties who took them. The
pictures were in brass frames which were
loaned by W. H. Golding of the Imperial
Theatre and it is believed that they were
taken because of the value of the frames.

Hon. W. F. Roberts, M. D., minister
of health, gave out a statement yester-
day in which he said that it was not
doubted by the New Brunswick health
authorities that there would be some
cases of influenza here but every pre-
caution was being taken to guard against
it. Organization was well in hand to
deal with it. So far only a couple of
doubtful cases had been reported.

In connection with the Lancaster ferry
subsidy arrangements have been made
whereby the government will contribute
a third and the city and county another
third. The steamer E. Ross will con-
tinue in the service until May 1, by
which time a new boat will have been
procured. It will cost \$275 a month to
run the ferry, an increase of \$135.

More old boots and shoes are needed
for the vocational training being carried
on in Fredericton under the auspices of
the D. S. C. R. The appeal made in the
city was responded to by many people
but it is believed there must be many
others who have boots which they wish
repaired, or perhaps they consider them
too far gone to be repaired. They would
be welcomed by the disabled soldiers
who are learning the work of repair in
the school at Fredericton, and can be
sent there if left at the lower floor of

and kindred ailments. Apply freely to the skin
just over the affected parts and rub it in.

GROVE'S O-PEN-TRATE SALVE

Throat.

It should be applied to the nostrils so that you
will be continually inhaling the vapors while
in the presence of patients who are sick with
contagious diseases, or when you are entering
crowded cars or other public places during an
epidemic of Grip or Influenza. Any Grip or In-
fluenza germs breathed through the nose are
destroyed by this germicide salve before the
germs can reach the throat.

FOR THE SICK

Place One Level Teaspoonful of GROVE'S

the heated salve makes breathing easy for the
patient. It induces sleep and is a great comfort
to anyone suffering with Spasmodic Croup,
Asthma, Bronchitis, Sore Throat, Coughs, Colds,
Whooping Cough, Diphtheria or Pneumonia.
The Healing Effect of the Vapor relieves the
patient and is very comforting. Price 35c per

Spadina Ave., Toronto, and a full-size box will
be mailed to you promptly.

Fall River, Mass., October 28th, 1918.

As an after-effect of the Spanish In-
fluenza which made me dangerously ill, I
suffered from a cold that was too persis-
tent for my liking. Someone recom-
mended to me Dr. J. O. Lambert's Syrup which
was the only one capable of curing me. I
have
