BABY MARY NO PUSSYFOOT

RECORD MONTH FOR STORMS

The month of February has been a record one for storms, and added another to its list yesterday when seven and a half inches of snow fell, following a driving hail storm. The snow drifted, causing much inconvenience to traffic. The wind blew about thirty-six miles an hour at its highest velocity.
Railway traffic was greatly impeded by the storm. Owing to an express car attached to the Boston train running five hours late, leaving the rails just as the train was about to run out upon the Cantilever bridge about 6 o'clock last evening, railway traffic westward was hung up for the night. Workmen were soon busy replacing the car on the rails, but the heavy storm very much interfered with the task.

Who are the Mormons?

ELDER JENSEN SAYS: Those who really know the Mormons as they are, give them the best possible name—"I never met a people so free from sensualism and immorality of every kind as the Mormons are."—Olive N. Robinson—"We must admit that Salt Lake City is one of the most quiet, orderly and moral places in the world."—Bayard Taylor—"Account for it how we may, the Mormons were in many important respects morally, socially and industrially far in advance of their neighbors."—Chambers' Encyclopedia, Vol. 10, P. 215—"If we believed the Bible as much as the Mormons do, we would be far better Christians than we are."—Henry Ward Beecher.—The poetess, Ella Wheeler Wilcox, in the New York Journal, said of the young "Mormons": "Their young men and women lead beautiful and wholesome lives."—"Indeed, among these Mormons the standard of sexual morality was unusually high."—"Roosevelt" "I never saw a Mormon I. W. W." "I am proud of the Mormons."—Senator Achurst, U. S. Senate.

CATARRAHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or head and ear noises or are growing hard of hearing go to your druggist and get 1 ounce of Earmint (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.
This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

TENDER GUMS — A WARNING

Beware of gum tenderness that warns of Pyorrhea. Four out of five people over forty have Pyorrhea—many under forty also. Loosening teeth indicate Pyorrhea. Bleeding gums, too. Remember—these inflamed, bleeding gums act as so many doorways for disease germs to enter the system, infecting the joints or tonsils—causing other ailments.
Forhan's positively prevents Pyorrhea, if used in time and used consistently. As it hardens the gums the teeth become firmer.
"Brush your teeth with Forhan's. It cleans the teeth scientifically—keeps them white and clear."
If gum-simulacra have already set in, start using Forhan's and consult a dentist immediately for special treatment. 35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send us your direct and we will mail tube postpaid.
